Our Parks Are For Now and the Future

Did you know that the Park Board is the steward of 200 parks in our city and all the trees that grace our boulevards? You are invited to celebrate and preserve these green spaces through a wide variety of activities, events and programs that keep our community spirit alive. Join with others who share your interest in our parks through our ParkPartners program. Our initiatives today will ensure green, clean and safe parks for the future.

ParkPartners...

- creates opportunities for people to volunteer in our parks
- fosters community pride and leadership
- provides support to those who want to make ideas, projects and events happen
- connects neighbours near and far
- values the cultural and ethnic diversity of our city
- encourages all citizens to assist in park stewardship
- helps keep our parks, cleaner, greener and safer for a diversity of activities

We Want You to Join In!

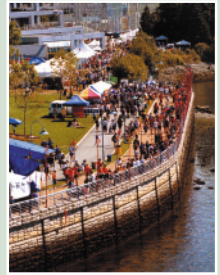

Do you want to get involved with events in your community parks? Do you have some free time, project ideas? Do you see a need that you and your family, friends, business or group can help to meet? We believe

everyone has special talents to share with his or her community. Share your time, your ideas and your talents. *Become part of our ParkPartners team!*
