

## BOARD OF VARIANCE - JURISDICTION REGARDING OFFICIAL DEVELOPMENT PLANS

*Authority - Director of Planning  
Effective August 12, 1982*

Pursuant to Section 563 of the **Vancouver Charter** regarding official development plans, the Board of Variance cannot consider an appeal which, if allowed, would authorize any development contrary to or at variance with an official development plan.

The Board of Variance may, however, consider an appeal against a decision of the Development Permit Board or the Director of Planning regarding areas of discretion, where such appeal, if allowed, would not authorize any development contrary to or at variance with an official development plan.
