DEVELOPMENT APPLICATIONS - SUBMISSION REQUIREMENTS

Authority - Director of Planning
Effective Date - March 1, 1990
Revised - August 2, 2001

All development applications (except those located in the RS-1/RS-1S zoning districts and “major” applications dealt with by the Development Permit Board) will require the submission of eight sets of plans or drawings to accompany such application. Applications in RS-1/RS-1S will only require five sets, “major” applications will require a minimum of thirteen sets. Minor Amendment applications in all zones will require only three sets of plans.
