

# 11

# Other Community Facilities

## Summary of Proposals

### Community Centre

- A Community Centre of 1,900 square metres (20,500 square feet), providing indoor recreational space.
- The size of the Community Centre is comparable to False Creek Community Centre and Douglas Park Community Centre.
- The Community Centre could accommodate a standard gym, changing facilities, variety of multipurpose rooms (arts and crafts, community meetings, etc.), Community display space, reception/offices, and a cafe.

### Schools

- Two schools within East Fraserlands: one Elementary school and another site which could accommodate a Secondary school.
- Vancouver School Board proposes to develop the school site adjacent to South Hamptons in West Fraserlands as an Elementary school.

## Points to Consider

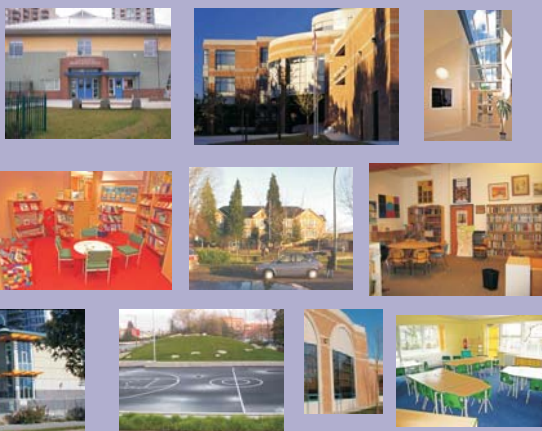

### Community Amenity Needs Assessment

- A Community Amenity Needs Assessment for the new East Fraserlands population is currently underway.
- The Needs Assessment will cover a range of other community facilities, including:
  - Childcare
  - Seniors services
  - Health and Social facilities
  - Recreational facilities
  - Cultural facilities
  - Police and Fire Protection
- Strategies to address these needs will be developed following the assessment.
