

WELCOME

This Open House is an opportunity for you to review and comment on the developer ParkLane Homes' Rezoning Application for developing Phase One of East Fraserlands.

Please fill out a COMMENT FORM

Your feedback is important!

As you review the panels and the model for this rezoning application, please use the Comment Form to provide us with your thoughts. City Staff, ParkLane Homes/WesGroup Income Properties and the East Fraserlands Committee are here to answer any questions you may have.

The comment form is structured around key issues that correspond to the boards/model identified next to each question.

Please submit completed comment forms in the drop box at the sign-in table. You may also fill out the form at home and mail the completed form to the City of Vancouver Planning Department.

The Site

East Fraserlands (EFL) is located on the Fraser River, between Kerr Street and Boundary Road, and south of Marine Way. The site comprises 51 hectares (126 acres) of land.

A rezoning application has been submitted to the City by ParkLane Home/WesGroup Income Properties for the lands within the boundaries outlined in red - the first phase of a multi-phase development at EFL.
