

Oakridge Station Area Study - 5900 Block Cambie

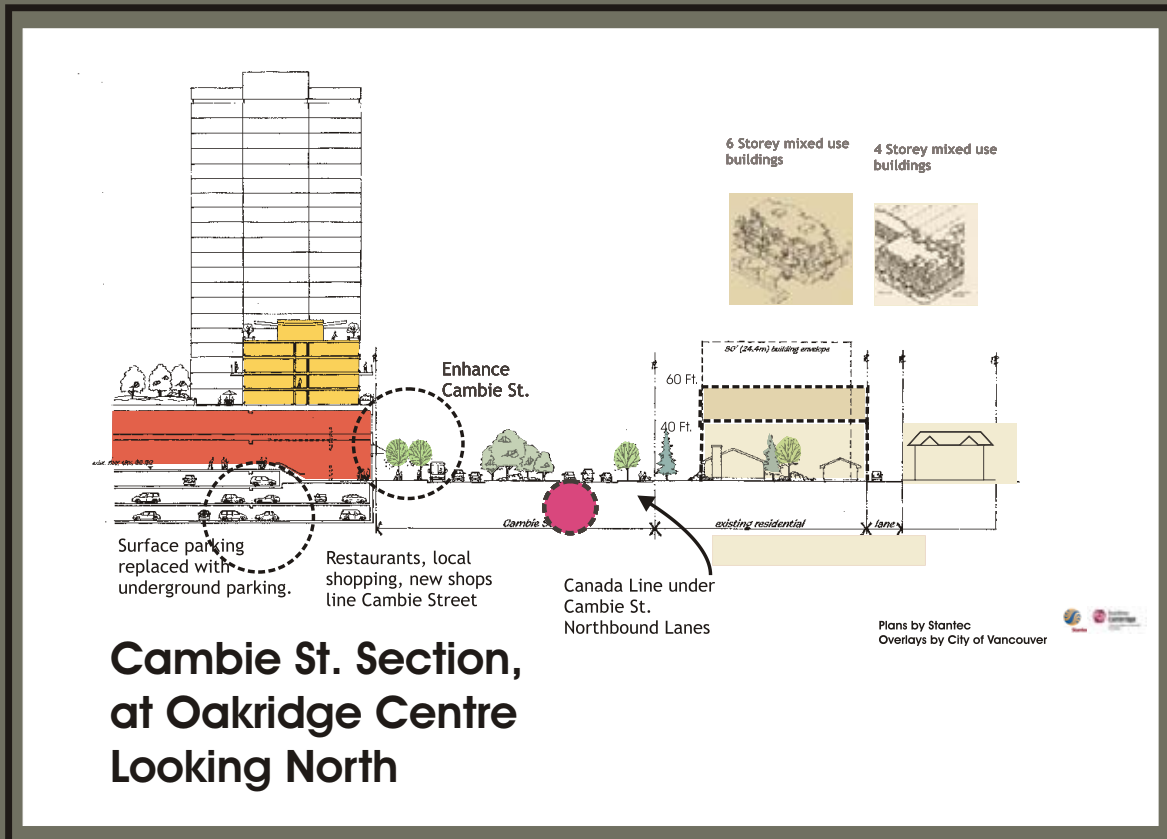

**TELL US
WHAT YOU
THINK**

EXISTING POLICY

The 1995 Oakridge Langara Policy Statement states that in the event of a rapid transit link to Richmond, the areas around station locations should be re-evaluated to determine whether sites should be considered for changes in land use and/or density.

Given the likely relocation of Safeway to the corner of Cambie and 44th Avenue, and street-fronting retail on the West side of 5900 Block Cambie Street, do you support the proposal to add retail use at grade, with residential or office use above, on the east side of the 5900 Block Cambie?

6

| | Support 6 storey mixed use buildings (residential and/or office with retail at grade) | Support 4 storey mixed- use buildings (Residential and/or office with retail at grade) | None (Retain current "RT-2 duplex zoning) |
|----------------------|--|---|--|
