

Acknowledgements

The Victoria-Fraserview/Killarney Vision Team thanks the residents, workers, volunteers, students, and business people in VFK who attended the many meetings, workshops, and other events in the Vision process. We appreciate the time and energy you contributed to considering the future of your community.

The team would particularly like to thank the Community Liaison Group and City Perspectives Panel for their dedication, creativity, and positive help throughout the program including advising staff, participating in workshops, and reviewing drafts.
