

General Height

Possible Street Level Views

The following illustrations show how the neighbourhood could change with the General Height options. For illustrative purposes, new developments are shown at the maximum height for each sub-area. The actual location and form of development could vary widely and may not appear as shown.

Pender Street (at Main) - Looking West

Existing (Today)

Option 1. Current Maximums (Up to 65')

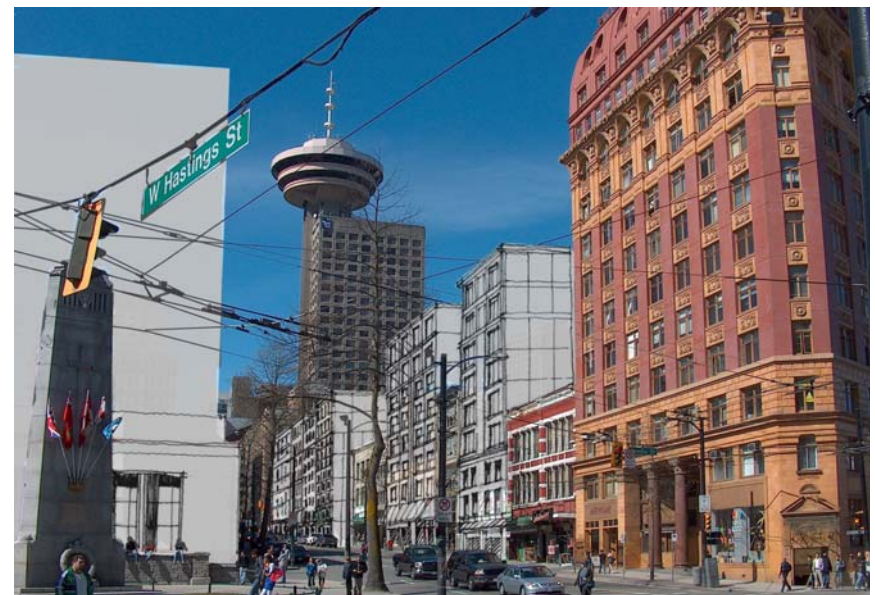

Option 2. Moderate Increase (Up to 75')

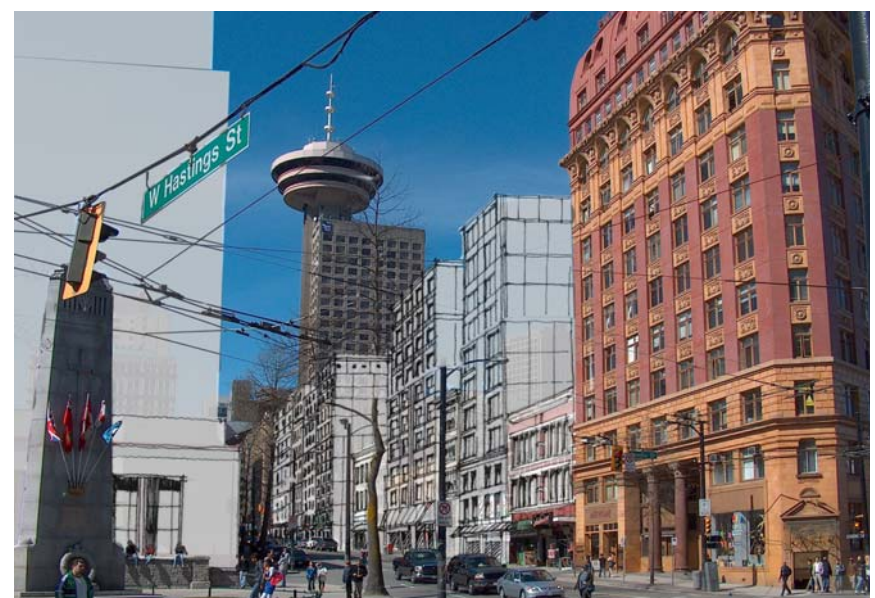

Hastings Street (at Cambie) - Looking West

Existing (Today)

Option 1. Current Maximums (Up to 100')

Option 2. Moderate Increase (Up to 120')
