

SEAL:

- This drawing, as an instrument of service, is the property of the architect and may not be reproduced without their permission and unless the reproduction carries their name. All designs and other information shown on this drawing are for use on the specified project only and shall not be used otherwise without written permission of the architect. Metric dimensions shall have precedence over scaled dimensions. Contractors shall verify and be responsible for all dimensions and conditions on the job and the architect shall be informed of any variations from the dimensions and conditions shown on the drawing. Shop drawings shall be submitted to the architect for approval before proceeding with fabrication.
- The general contractor shall verify all dimensions, details, and levels prior to commencement of the work and is held responsible for reporting discrepancies and/or corrections to the architect immediately.
- The drawing must not be scaled.
