

Southeast False Creek Planning Open House

Attend a City of Vancouver public open house to view and comment on proposed changes to the Official Development Plan for Southeast False Creek (SEFC) Sub-Area 3C. The draft amendments would increase the area's maximum allowed heights, amend the optimum heights, and change the total allowed floor area. City staff will be present to answer questions and receive comments.

Thursday, May 22, 2008,

4 pm – 7 pm

**TELUS World of Science Boardroom
1455 Quebec Street, Vancouver**

SEFC will showcase a sustainable, mixed-use community on the False Creek waterfront where people can live, work, play, and learn.
