Sewer and Watercourse By-law No. 8093
regarding changes to 2009 fee increases and miscellaneous amendments**

THE COUNCIL OF THE CITY OF VANCOUVER, in public meeting, enacts as follows:

1. This By-law amends the indicated provisions and schedules of the Sewer and Watercourse By-law.

2. Council repeals section 7.1, and substitutes:

“7.1 SEWER UTILITY RATES - GENERAL

Nothing in this Section 7.1 forms part of the legal text of this By-law and is for general information purposes only. For the purposes of this By-law, it has been estimated that on average, approximately 85% of the water supplied by the City to most properties is discharged into the public sewer system. Accordingly, the water-consumption based sewer rates set out in Schedule A to this By-law have been calculated on the basis that an estimated 15% of such water consumption does not enter the public sewer system.”

3. Council repeals section 7.3(2)(b)(i), and substitutes:

“All rates will be determined on the basis of water delivered to the property in any given billing period.”

4. Council repeals section 7.5, and substitutes:

“(1) Minimum Rate for Septic

For each property which is served exclusively by a plumbing system which is not connected directly or indirectly to a public sewer connection, the owner and occupier of such property will pay the rate for “Other Property” set out in Part IV of Schedule A of this By-law, on account of the City’s costs of providing a public sewer system, whether or not that property is currently using or served by such system.

(2) Billing and Collection for Septic

The rates payable pursuant to Sentence (1) will be pro-rated, adjusted, billed, paid, entered on the tax roll and be subject to late payment interest, penalties and other charges in the same manner as the rates payable pursuant to Section 7.2.”

5. Council repeals section 7.6, and substitutes:

“(1) Minimum Rate for Other Property

For each property which is not subject to any of the rates set out in Sections 7.2, 7.3, 7.4 or 7.5 of this By-law, the owner and occupier of such property will pay the rate for “Other Property” set out in Part IV of Schedule A of this By-law on account of the City’s costs of providing a public sewer system, whether or not that property is currently using or served by such system.

(2) Billing and Collection for Other Property

The rates payable pursuant to Sentence (1) will be pro-rated, adjusted, billed, paid, entered on the tax roll and be subject to late payment interest, penalties and other charges in the same manner as the rates payable pursuant to Section 7.2.”

6. From Schedule A, Part 5, Council repeals:

“Minimum Charge	\$7.50”
