The minutes of the meeting of May 19, 2010, to be approved.

1. False Creek Cycling Capacity, Safety and Access Upgrade Plan 5:30-6:00

At the May 19, 2010, meeting the Committee postponed consideration of the following motion to the June 16, 2010, meeting:

THAT in conjunction with North East False Creek and the South East False Creek planning processes, the City undertakes a planning process to increase bicycle and pedestrian access and capacity around and across False Creek to increase the safety of cyclists and pedestrians and to meet the potential future demand generated by new development downtown and around False Creek, improvements to the bicycle network and cycling mode share increases.

The options considered should include but not be limited to:

- a. the reallocation of lane(s) of traffic on the Cambie Bridge.
- b. widened sidewalks on the Cambie Bridge.
- c. increased widths for bicycle and pedestrian paths along False Creek;
- d. separated bike lanes on Main Street, Quebec Street, Pacific Boulevard, and Expo Boulevard.
- e. upgrades to the Seaside Bypass including the closure of Charleston Road to motor vehicle traffic and improved connections with the Off Broadway Bikeway, the Heather Street Bikeway, Ash Street and the Olympic Village Canada Line Station.
- f. improved bicycle path connections between bicycle routes including the

Seaside Path, the Adanac Bikeway, the Central Valley Greenway and the Carrall Street Greenway.

- g. improved connections to the Cambie Street Bridge including from Robson Street through the planned Casino development.
- h. the provision separate of bicycle and pedestrian paths in sections of the Seaside Path where there are currently multi-use paths.

Discussion and decision on the motion is to take place.
