Brothers and Sisters,

Elections for Mayors, Council, School Boards, Regional District Representatives and other local government positions will be held on **Saturday, November 15, 2008.**

Local governments are responsible for infrastructure development including, highways, overpasses, bridges, water filtration systems, sewer utilities along with municipal facilities like fire halls, libraries and community recreation centers.

Local Labour Council endorsements of "Labour Friendly" candidates have been reviewed by the Building Trades Council. A list of endorsed candidates is printed on the back of this letter.

Now is the time to decide who will best represent you and your family at the local level. Not participating in the municipal election isn't an option. **Silence means yes.** Not voting sends the message that you support the decision made by those that do vote.

I urge you to take part in the November 15th municipal election and I encourage you to vote for those candidates who will best represent labour and construction worker interests.

In solidarity,

WAYNE PEPPARD
Executive Director
