**1. Business Arising from the Minutes** 11:05 - 11:10 am

**2. Conservation Review**

**(a) Blood Alley Square and Trounce Alley Redesign** 11:10 -12:10 pm

Blood Alley Square is an important, historic public square in the heart of Gastown, a nationally designated historic district. The Downtown Eastside Plan identifies the redesign for Blood Alley Square and the adjacent Trounce Alley as a priority. The City has hired Enns Gauthier Landscape Architects, to lead a team of consultants to redesign Blood Alley Square / Trounce Alley public area in attempt to improve its functionality while preserving identified heritage values. The Statement of Significance was developed in 2010 and the Commission was involved in its processing. This document has now been used to assist in developing new design concepts and preserving key character-defining elements. The new design and cost estimate are expected to be completed by March 2017. Following that, staff will take a report to City Council for the approval of the redesign and funding request for construction of the project. The purpose of the meeting is to present the concept design for Blood Alley Square and Trounce Alley and to receive initial feedback from the Commission.

**Presenters:** Tom Warren, Project Manager, COV - Engineering Department  
Helen Ma, DTES Planner, COV - Planning Department  
Zlatan Jankovic, COV - Heritage Planner

**Attachments:** Statement of Significance for Blood Alley Square / Trounce Alley (electronic copy).
