

**Water Flow and Pressure Information**

***Applicant Information (Complete the entire section)***

Property Street Address: \_\_\_\_\_

**Legal Description:** Lot \_\_\_\_\_ Subdivision \_\_\_\_\_ Block \_\_\_\_\_  
District Lot \_\_\_\_\_ Plan \_\_\_\_\_

Name of Business \_\_\_\_\_

Contact Name \_\_\_\_\_ Telephone No. \_\_\_\_\_

Address of Business \_\_\_\_\_

City: \_\_\_\_\_ Postal Code \_\_\_\_\_ Fax Number: \_\_\_\_\_

*( Provide Fax Number if Fax is requested, otherwise the reply will be mailed )*

**Residual pressure for \_\_\_\_\_ lgpm flow at street intersection \_\_\_\_\_**

**Service Charges are \$35 per request, which are billed at month's end(overdue payments will result in service termination).**

***Design Information***

Waterworks Design is located at 453 West 12th Avenue, Vancouver, B.C. V5Y 1V4

Telephone: **604.873.7380**, FAX **604.871.6190**

Node Number: \_\_\_\_\_

Maximum Static ( Winter ) \_\_\_\_\_ psi

Minimum Static ( Summer ) \_\_\_\_\_ psi

Estimated Summer Residual in City Main \_\_\_\_\_ psi at the flow of \_\_\_\_\_ lgpm

The above pressure information is for street intersection at \_\_\_\_\_

Calculated by: \_\_\_\_\_ Date: \_\_\_\_\_

**The design values are estimates, based upon City records. The City does not guarantee or warrant that these pressures will be maintained under all circumstances.**
