Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

am writing in response to your request of September 15, 2016 under the Freedom of Information and Protection of Privacy Act, (the Act), for:

The following records as of August 31, 2016:

- 1) Number of dogs registered as dangerous/vicious/ aggressive in the city of Vancouver;
- 2) The breed of each dog registered as such;
- 3) The number of repeat owners on the list (has an owner had more than one dog registered on the list if so, how many).

All responsive records the City is able to provide are attached. This data has been compiled by reviewing each dog license file and manually recording the dog breed for files where the dog was flagged as aggressive. The search encompassed all dogs residing in Vancouver in 2016 which are currently licensed or tagged as requiring renewal.

Please note: Animal Control is not able to compile a report on dog owners who have had more than one aggressive dog registered to them historically. The current animal control database has efficiency and data reporting limitations, it is gradually being phased out. Please refer to the letter sent to you on October 21, 2016 for further detail.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2016-351); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at <u>foi@vancouver.ca</u> if you have any questions.

Yours truly,

Barbara J. Van Fraassen, BA Director, Access to Information City Clerk's Department, City of Vancouver Email: <u>Barbara.vanfraassen@vancouver.ca</u> Telephone: 604.873.7999
