January 19, 2017

s.22(1)

Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of December 7, 2016 for:

A list of all e-mails sent, received or deleted by Councillor Kerry Jang, from November 1, 2016 to November 30, 2016 with the following data: (a) sender; (b) recipient(s); (c) date and time; (d) subject line.

All responsive records are attached. Some information in the records has been severed, (blacked out) under s.22(1), of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

Please be advised that the current capabilities of the IT department does not allow for efficient compilation of the information you requested, including deleted e-mails, and to do so would require manual extraction of e-mail metadata and a considerable number of hours, incurring a large fee. However, we have provided screenshots of the information you requested (sent and received emails only) which we believe to be sufficient to satisfy your request.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2016-467); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,

A handwritten signature in black ink, consisting of a stylized 'B' followed by a long, sweeping horizontal line that curves slightly upwards at the end.

Barbara J. Van Fraassen, BA
Director, Access to Information
City Clerk's Department, City of Vancouver
