Subject: Announcement - New Director in Real Estate and Facilities Management

I would like to welcome Lisa Prescott to the newly created role of Director, Strategic Operations Planning & Program Management within Real Estate and Facilities Management.

Lisa has been with the City of Vancouver for the past 7 years. Her most recent role as Recreation Services Manager had her managing the operations of 12 Community Centres and leading a team of over 100 staff. Previous to that, Lisa has been the City's Performance Measurement Manager, as well as a Business Planning Manager in the City's Business Planning Secretariat where she was responsible for managing high profile and complex organizational projects. Lisa has a Bachelor's Degree in Industrial Engineering and a Master's Degree in Engineering Management. In addition, she has taken a number of programs focused on leadership development.

We look forward to Lisa's contributions in this new role, including much valued skills and expertise relating to strategic planning, process improvement, and program management.

Please join me in welcoming Lisa to REFM. She will start in her role on April 10, 2017.

Sincerely,
Bill
