Subject: Living wage certification - update

Good afternoon Mayor and Councillors,

I am writing to confirm that we have submitted to the Living Wage Campaign a detailed plan for implementation of the living wage framework by the City and Park Board. Review and acceptance of the implementation plan is a requisite step in the process to achieve certification as a Living Wage employer.

Our staff team will be meeting with representatives of the Living Wage Campaign on April 3, 2017 to address any questions or concerns regarding the implementation plan.

We will keep you apprised as the certification process moves forward. Of course, please let me know if you have any immediate questions.

Best,
Paul
