SUBJECT: Arbutus Greenway Project - Invitation to opening of the temporary path

This memo is to invite you to the June 15th ribbon cutting and opening of the Arbutus Greenway temporary path. Please see attached an invitation and relevant details about the event.

BACKGROUND

Over the past year, the City of Vancouver constructed a temporary pathway from Fir Street to Milton Street to give everyone the opportunity to enjoy the space while the final greenway is being planned and designed.

DISCUSSION

The construction of the Arbutus Greenway temporary path is substantially complete with the exception of a few items that will be delivered in the coming months. These include improved signalized intersection designs at Broadway, West 12th Avenue, and SW Marine Drive.
