Dear Joanne,

In light of our discussion re: planned protests, here is a copy of the applications.

Upon clarification with the applicant, the activities described are happening entirely indoors with the only request from the City being a drop off zone.

“Those not wishing to disembark at the front can do so at the back” paraphrase of organizer call.

Note: Not sure when it got put there, but there is a very large dumpster adjacent to/east of the back entrance breezeway.

Cheers,

Hi Sandi

I was going to refer the reporter to contact the officials affiliated with Trump Hotel on this, but need any background you have on whether they've sent us an application for road closures and whether we will be approving it.

I was wondering if there were any requests from officials affiliated with the Trump Hotel (opening Tuesday) to close streets or anything else on the day they open the hotel?

If so, what were the results of those requests?

Jag,

Here is our messaging leading up to the Trump visit. We will have additional safety and traffic messaging, to be determined, going out on the day of the event.

The VPD facilitates dozens of demonstrations in the city of Vancouver throughout the year, balancing the rights of an individual to have their voice heard, and working to ensure those rights do not negatively impact others. Public safety will always remain our top priority.

Unfortunately it would be counterproductive for us to share our plans in advance of one of those demonstrations, as it would reduce the effectiveness of our police response.

Hi Randy,

Some interest from media regarding the Trump opening. My understanding is that the situation is still fluid so we just want to say the following:

**The City has received an application from those affiliated with the Trump Tower for temporary no parking along Georgia Street for Tuesday, February 28 and we are currently reviewing that application.**

Can we refer reporters to you guys when they have questions about security/policing? Sandi: anything else you want to add?

Hi Jag,

I have received inquiries from the same reporter. I'll attach what I provided her from a policing standpoint.

"I don't have information that I can share that is specific to the event you are asking about.

Generally speaking, the Vancouver Police facilitate and monitor hundreds of protests, demonstrations and public events every year. We look at all possibilities and if an event requires additional attention, we are well prepared and can adjust resources as necessary. Our priority is ensuring Vancouver is a safe place to live, work, and visit.

Details, per your request:

These interruptions would be due to planned protests regarding the grand opening of the Trump International Hotel and Tower Vancouver. Subject: Trump Intl - grand opening

Hi,

FYI - our special events office has received a permit application for a grand opening event at the Trump Hotel on Feb 28. I understand they are seeking lane closures on Georgia during afternoon rush hour. Members of the Trump family will be in attendance.

We will get into the detail next week and will be liaising with VPD. I will follow up with a more comprehensive report.

Paul
