s.22(1)

Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of May 31, 2017 for:

**Every single night time work permit issued (Noise By-law exemption permits) or approved by the City of Vancouver from March 1, 2017 until June 5, 2017. Including who the permit was issued to, for what type of work, during what hours and for how long.**

All responsive records are attached.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2017-215); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at [foi@vancouver.ca](mailto:foi@vancouver.ca) if you have any questions.

Yours truly,

A handwritten signature in black ink, appearing to be 'B. Van Fraassen', written in a cursive style.

**Barbara J. Van Fraassen, BA**  
**Director, Access to Information**

## NOISE EXCEPTION

FOR

725 Granville Street (Pacific Centre-Howe Street)

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Triumph Traffic Industries Inc., PO Box 46 Mt. Lehman, Abbotsford for Thursday, March 9, 2017, from 8:00 PM to 11:00 PM for work at 725 Granville Street (Pacific Centre-Howe Street). This exemption is for crane to hoist building materials on to the roof top of Holt Renfrew - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that Triumph Traffic Industries Inc. will notify all residential/hotel accommodations within one block radius concerning the work. Triumph Traffic Industries Inc. agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

for Director of Licences and Inspections

cc Chief Constable  
City Engineer  
Noise Control Officer

515 West 10th Avenue

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Smith Bros and Wilson (BC) Ltd, 8729 Aisne Street, Vancouver for Monday May 1, 2017 to Friday, June 30, 2017 from 6:00 PM to 7:00 AM for work at 515 West 10th Avenue. This exemption is for concrete demolition, concrete drilling and welding - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that City of Vancouver - Facilities Development will notify all residential/hotel accommodations within one block radius concerning the work. City of Vancouver - Facilities Development agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

A. Toma, P. Eng.  
Director

cc Chief Constable  
City Engineer

3000 Block of East Broadway

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Pacific Earthworks Inc., 19005 - 94<sup>th</sup> Avenue, Surrey for Wednesday April 19, 2017 to Friday April 21, 2017 from 7:00 PM to 7:00 AM for work at 3000 Block of East Broadway. This exemption is for restoration and paving of existing excavations - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that Pacific Earthworks Inc. will notify all residential/hotel accommodations within one block radius concerning the work. Pacific Earthworks Inc. agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

for Director of Licences and Inspections

Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that City of Vancouver - Waterworks Design will notify all residential/hotel accommodations within one block radius concerning the work. City of Vancouver - Waterworks Design agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

for Director of Licences and Inspections

cc Chief Constable  
City Engineer  
Noise Control Officer

## **NOISE EXCEPTION**

FOR

900 Granville Street, 500 Robson Street and 400 Smithe Street

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Arctic Arrow, 18509 96 Avenue, Surrey, BC for June 1 and June 8, 2017, 9:00 PM to 5:00 AM for work at 900 Granville Street, 500 Robson Street and 400 Smithe Street. This exemption is for electrical service upgrades which include feeding cables into numerous manholes - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that Arctic Arrow will notify all residential/hotel accommodations within one block radius concerning the work. Arctic Arrow agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

for Director of Licences and Inspections

cc Chief Constable  
City Engineer  
Noise Control Officer

## NOISE EXCEPTION

FOR

Oak Street and West 30th Avenue (BC Children's Hospital)

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Knight Signs, 7462 Progress Way, Delta, BC, for Wednesday, May 31, 2017, from 10:00 PM to Thursday, June 1, 2017, at 6:00 AM, for work at Oak Street and West 30th Avenue (BC Children's Hospital). This exemption is for the installation of new signs at the BC Children's Hospital - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that Knight Signs will notify all residential/hotel accommodations within one block radius concerning the work. Knight Signs agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.

Yours truly,

Kathryn Holm, P. Eng.  
Chief Licence Inspector and  
Director of Licences and Inspections

cc Chief Constable  
City Engineer  
Noise Control Officer

## NOISE EXCEPTION

FOR

600 - 900 Burrard St., 1000 West Georgia St., 900 -1000 Dunsmuir St. & 900 Robson St.

To Whom It May Concern

In accordance with Section 17 of the Noise Control By-law No. 6555, this exception is hereby granted to Arctic Arrow, 18509 96 Avenue, Surrey, BC for Sunday, June 4, 2017, to Monday, June 12, 2017, from 9:00 PM to 5:00 AM for work at 600 - 900 Burrard Street, 1000 West Georgia Street, 900 - 1000 Dunsmuir Street and 900 Robson Street. This exemption is for cable pulling and splicing work in numerous manholes as part of BC Hydro upgrades - no other construction is allowed during the exempted hours. Vehicle movements should be arranged so as to minimize the sounding of back-up warning devices. Crews are to take appropriate measures to eliminate all unnecessary noise.

It should be noted that this exception of the Noise Control By-law does not alter the applicant's responsibility to obtain whatever permits or approvals are required from other City Departments.

It is also understood that Arctic Arrow will notify all residential/hotel accommodations within one block radius concerning the work. Arctic Arrow agrees that every effort will be made to keep noise to a minimum and this permit is subject to curtailment or cancellation if reasonable complaints are received.
