Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of January 4, 2018 for:

On July 5, 2016, Sev Araujo, Manager of Commercial Operations, Vancouver Board of Parks and Recreation and Stephen Cundy, Advisian, presented "Burrard Civic Marina Project Update". The presentation noted that Advisian had performed a bathymetric survey of the marina to assess the existing water depths. A low-resolution image was included, illustrating current water depths.

Request is for source data from this bathymetry survey, for the purposes of understanding water depths, especially in regard to draft of members vessels and the possibility of grounding or damage to vessels at low water in certain parts of the marina.

All responsive records are attached.

Please note: the attached sounding information is in a point file with gridded points at 2m intervals using the NEZD format. The responsive records clearly state this data is **not to be used for navigation**.

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2018-005); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,
