Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 15, 2018 for:

The Renewal Notice for 2012 shows that the lane shown along the north boundary of 1637 West 7th Avenue on the Renewal Notice for 2011 had been closed in part and no longer extended between 1637 West 7th Avenue and 1632 West 6th Avenue.

Request is for all the City's documents relating to that lane closure.

Since that particular block was created in 1891 there has never been any City-owned lane between 1637 W 7th Avenue and 1632 W 6th Avenue.

The issue seems to have arisen due to the permit parking renewal 2011 map being a very simplified (and not particularly accurate) map, erroneously showing the short portion of lane coming in from Fir Street extending to behind 1637 W 7th. The map on the permit parking renewal 2012 notice appears to be more closely aligned with our survey maps, and accurately depicts the lane in the block - at that time (since then the city has acquired an additional piece of lane behind 1618 W 6th).

Under section 52 of the Act you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your request. The Act allows you 30 business days from the date you receive this notice to request a review by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number assigned to your request (#04-1000-20-2018-101); 2) a copy of this letter; 3) a copy of your original request for information sent to the City of Vancouver; and 4) detailed reasons or grounds on which you are seeking the review.

Please do not hesitate to contact the Freedom of Information Office at foi@vancouver.ca if you have any questions.

Yours truly,
