SUBJECT: Consideration of 105 Keefer St. project at October 30th DPB Meeting

Dear Mayor and Council,

At the request of City Council, following the 105 Keefer Street rezoning Public Hearing on May 23 and 25, 2017, the City and BC Housing pursued discussions with the Beedie Development Group (Beedie) for a potential land swap, as well as outright purchase by the City and partners, for the site at 105 Keefer Street. Beedie was an active and willing participant in this discussion. Unfortunately, the parties were unable to reach an agreement on any option. Therefore, the Development Permit Board should now consider and act on the revised (Development Permit) proposal submitted by Beedie.

If you have any questions or require further information, please contact Gil Kelley at gil.kelley@vancouver.ca or Anita Molaro at anita.molaro@vancouver.ca.
