

North Arm Trail Greenway

Board B 58th Ave. Cambie St. to Columbia St.

Existing Conditions

Planned Changes

What is Different?

Why?

<ul style="list-style-type: none"> The existing path between Alberta St and Columbia St will be improved, widening it slightly and making a smoother surface 	To improve access for people of all ages and abilities.
<ul style="list-style-type: none"> Pedestrian and cyclist lighting will be added along the path between Alberta St and Columbia St. 	To improve safety for everyone walking and cycling along the path.
<ul style="list-style-type: none"> Some of the shrubs and small trees will be removed and/or trimmed. 	To improve safety and to widen the path.
<ul style="list-style-type: none"> New trees and shrubs will be planted. 	To provide a screen between the path and the townhouses
<ul style="list-style-type: none"> On 58th Ave, between Cambie St and Alberta St, paint markings and signs will be installed. 	To help pedestrians and cyclists identify the route.
