

North Arm Trail Greenway

Board D Ontario St. between 58th and 59th Ave

Planned Improvements

Existing Conditions

Planned Improvements

- Paint markings will be added to the existing staff parking lot at Sexsmith School to delineate a walking and cycling lane through the parking lot. Otherwise the existing staff parking lot, and Ontario St between 58th Ave and 59th Ave, will remain unchanged until after the new school opens.
- After the new school opens improvements to the route will be finalised. Options under consideration include installation of separated bike lanes on Ontario St between 58th Ave and 59th Ave and/or a raised crosswalk on Ontario St at 59th Ave.
