The facilitator welcomed the committee members and led a round of introductions.

2. Updates and Discussion

a. BC Housing

BC Housing provided an overview of the timeline for building occupancy.

b. Atira

Atira introduced the building manager.

c. City of Vancouver

No updates.

d. Vancouver Coastal Health

No updates.

e. Vancouver Police Department

The VPD representative inquired as to whether there would be a guest policy and Atira advised guests would be allowed overnight up to two times per week.

The group discussed various aspects of the building such intercom systems, entry systems, common rooms and the features of each suite.

f. Community Members

The community member invited the committee members and the building residents to visit the Buddhist Temple and advised the Temple facilities such as the gym and multipurpose space can be rented at a low cost for community

activities.

3. Action items and next steps

Atira proposed the Community Advisory Committee meet on an as-needed basis rather than hold regularly scheduled meetings. The members agreed and are invited to contact Atira at any time to request a meeting be scheduled.
