

CITY'S ANNUAL REPORTS

This reference guide provides an overview of the types of records from the City of Vancouver Archives that relate to regularly-produced publications by various Vancouver municipal agencies. These publications can be used to determine financial and administrative aspects of municipal governments as well as activities specific to a particular City department. Please keep in mind that additional records may be found among the total Archives' holdings.

Records may be accessed either through record requests submitted for retrieval from our secure storage, self-serve microfiche access copies in the Reading Room, or, if digitized, viewed as a digital copy from our online database. Record retrievals run Monday-Friday, 10:00-4:30.
