

PURPOSE OF THE LAPP

- Understand the **Key Issues**
- Define **future** expectations
- Create a **plan** to achieve our future expectations and address the key issues
- **What** will we need to do, **when** and **how**
- **Where** we need to focus – **sub areas**
- **Implementation Plan**

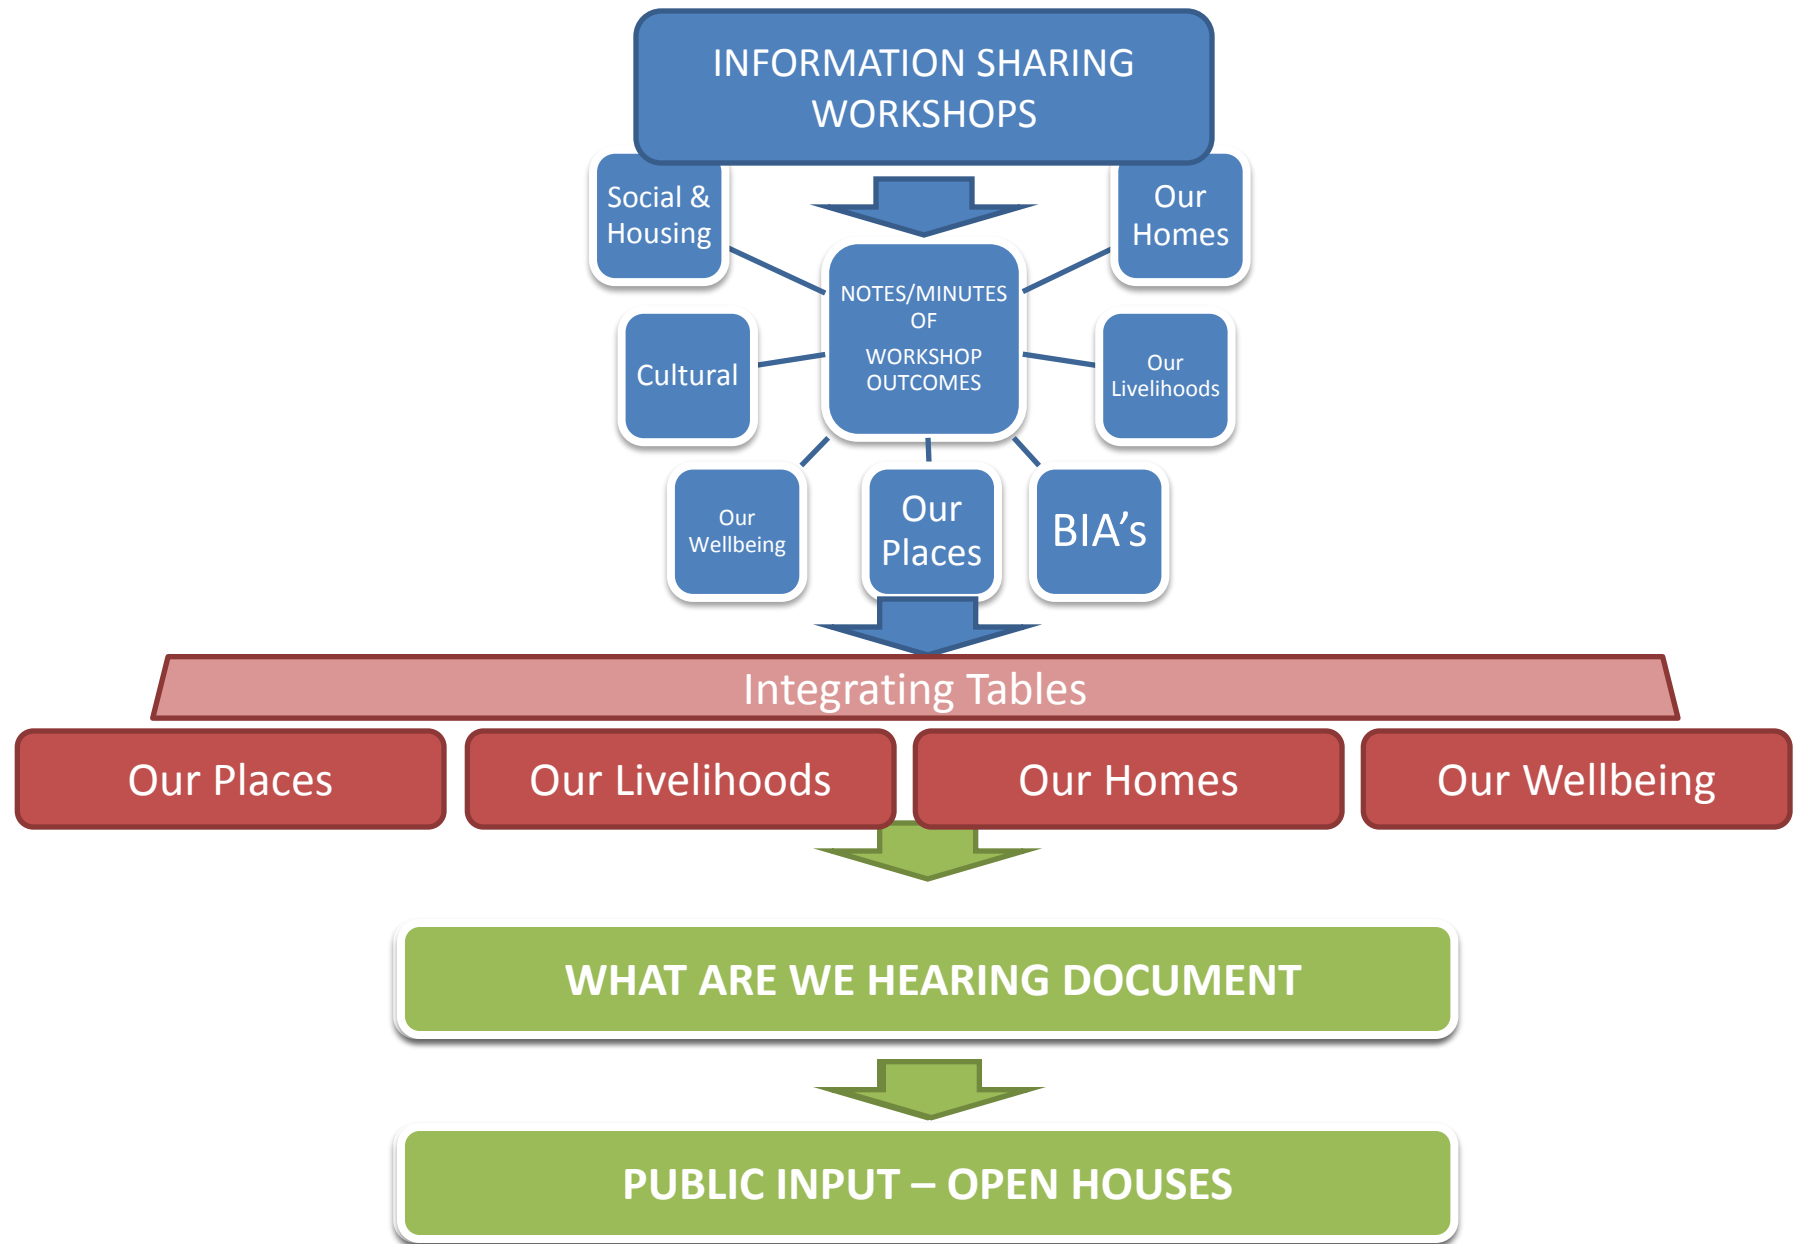

DTES LAPP Planning Process

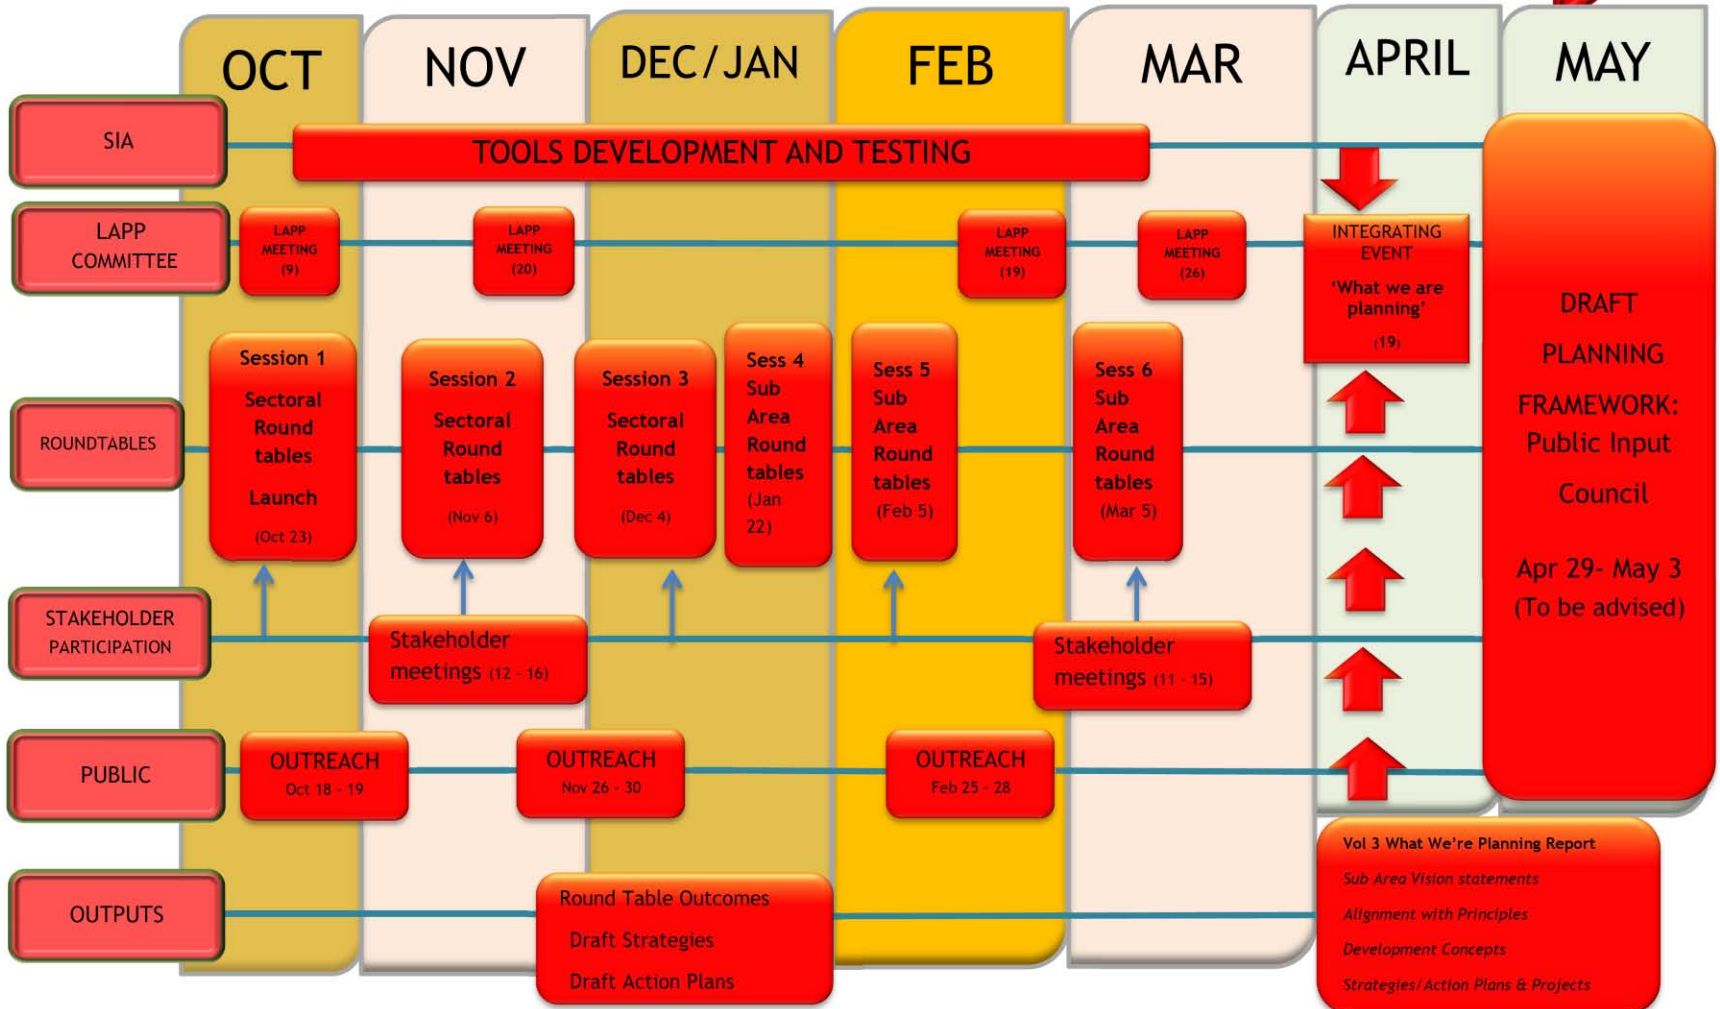

WHERE ARE WE NOW?

DTES Local Area Plan - Planning (Strategies and Action Plans) 2012/13

NEXT STEPS

- LAPP Committee meeting to review progress (October 9th) – “**reality check**”
- Launch **Round Tables** based on the Four Themes (October 23rd)
- City Staff to prepare **summaries** of output for public outreach
- Hold **Public Open Houses** to obtain input (October 18th and 19th)

ROUND TABLES

- Four Round Table Themes - with smaller working groups (Our Homes, Our Livelihoods, Our Places and Our Well Being)
- City Staff to provide support, material, plans and expertise
- LAPP Committee members to split up to four themed round tables
- Invited specialists, stakeholder and organisation representatives
- City Wide Policies will guide us
- Emerging local Planning Principles?
- Emerging Local Planning Values?
- How will we define certain words so we all understand?

EMERGING QUESTIONS FOR THE ROUND TABLES

- Our Homes – how many homes, where, at what cost, how will we achieve our targets, innovative funding ideas?
- Our Livelihoods – how many jobs and enterprises, what type of enterprises, where and what type of suggested special zone; innovative rules and funding ideas?
- Our Places – what and where can we make improvements, What creative zoning and rules, what land use and built form, where?
- Our Well Being – Community Partnerships for the future, access to affordable food, accessible child care spaces, access to active living facilities and spaces; innovative funding ideas – what and where?
