GRANDVIEW-WOODLAND COMMUNITY PLAN

Planning work has been supported by seven key principles – which are based on existing city-wide and regional policies, plans, initiatives and charters.

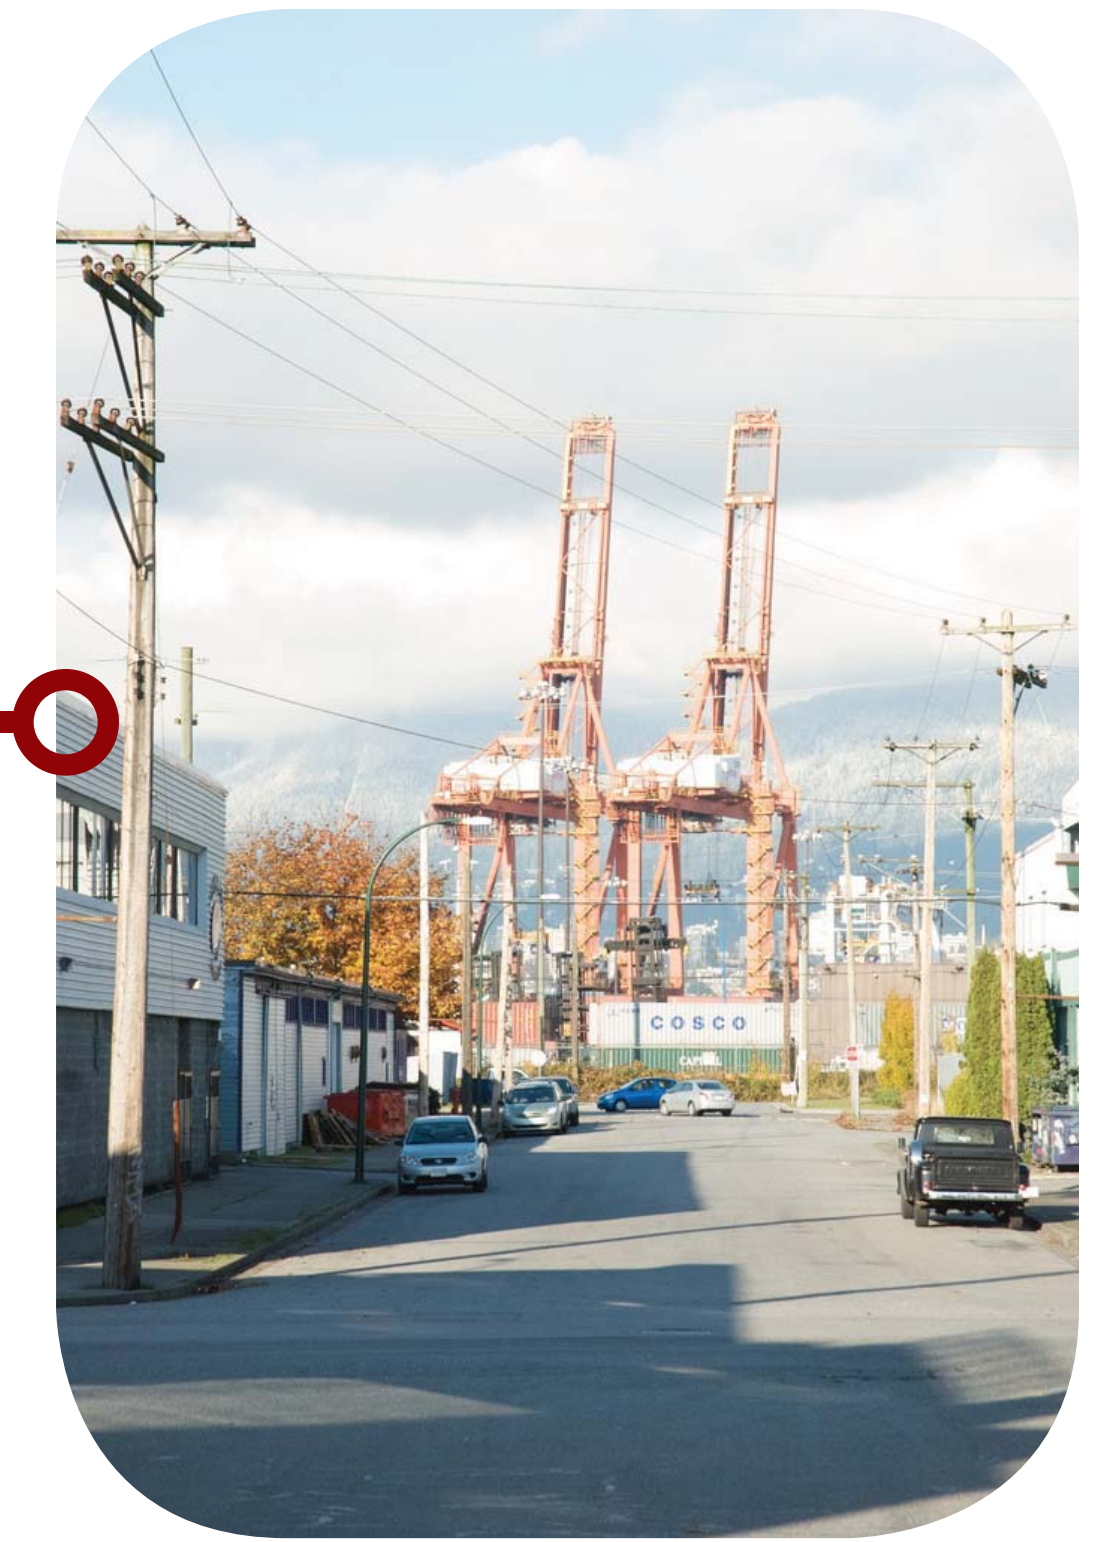

**1.** Achieve a green, environmentally sustainable urban pattern

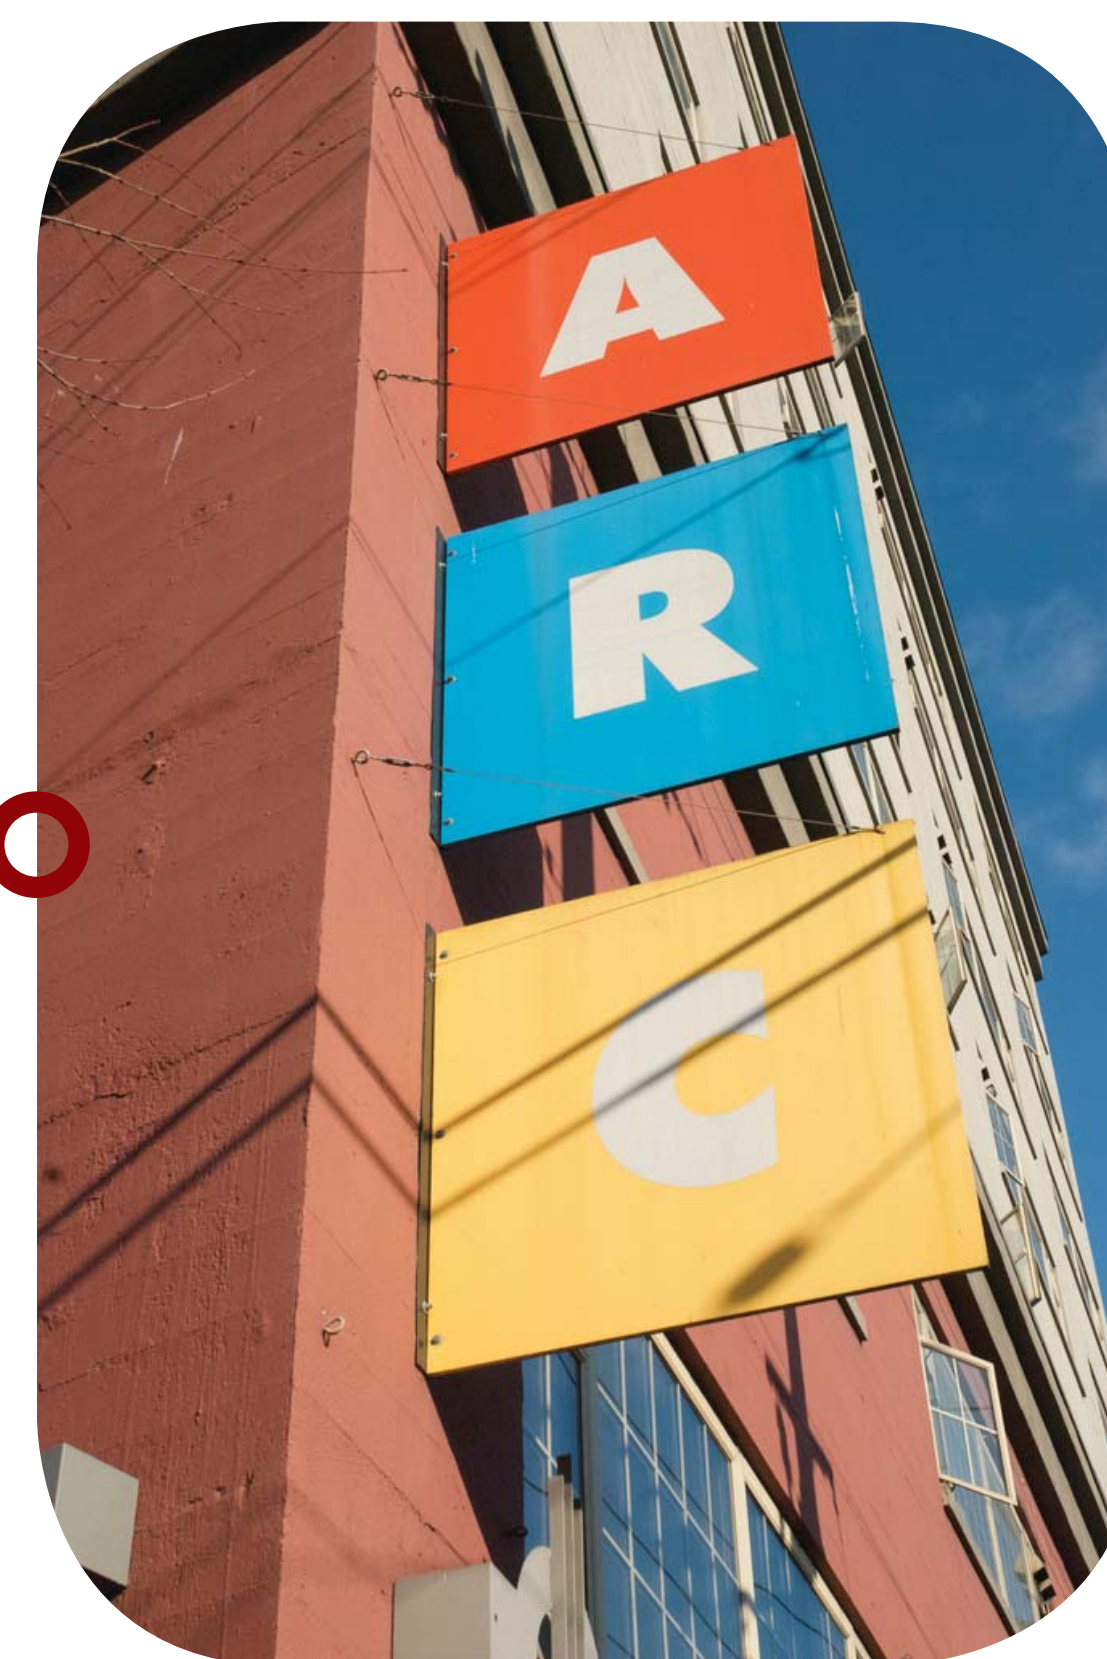

**2.** Support a range of affordable housing options to meet the diverse needs of the community

**3.** Foster a robust, resilient economy

**4.** Enhance culture, heritage and creativity in the city

**5.** Provide and support a range of sustainable transportation options

**6.** Protect and enhance public open spaces, parks and green linkages

**7.** Foster resilient, sustainable, safe and healthy communities
