7 WHAT WE HEARD RILEY PARK

Riley Park Options- Drafts presented at Open House #2

The following 3 Riley Park design options were presented to the public at the second Open House on June 25th, 2013. Feedback on the designs was collected through a written survey and interactive questions at the event. What are presented here are the key responses. More detailed information can be found on the Vancouver Parks Board website.

OPTION A - "KNOT"

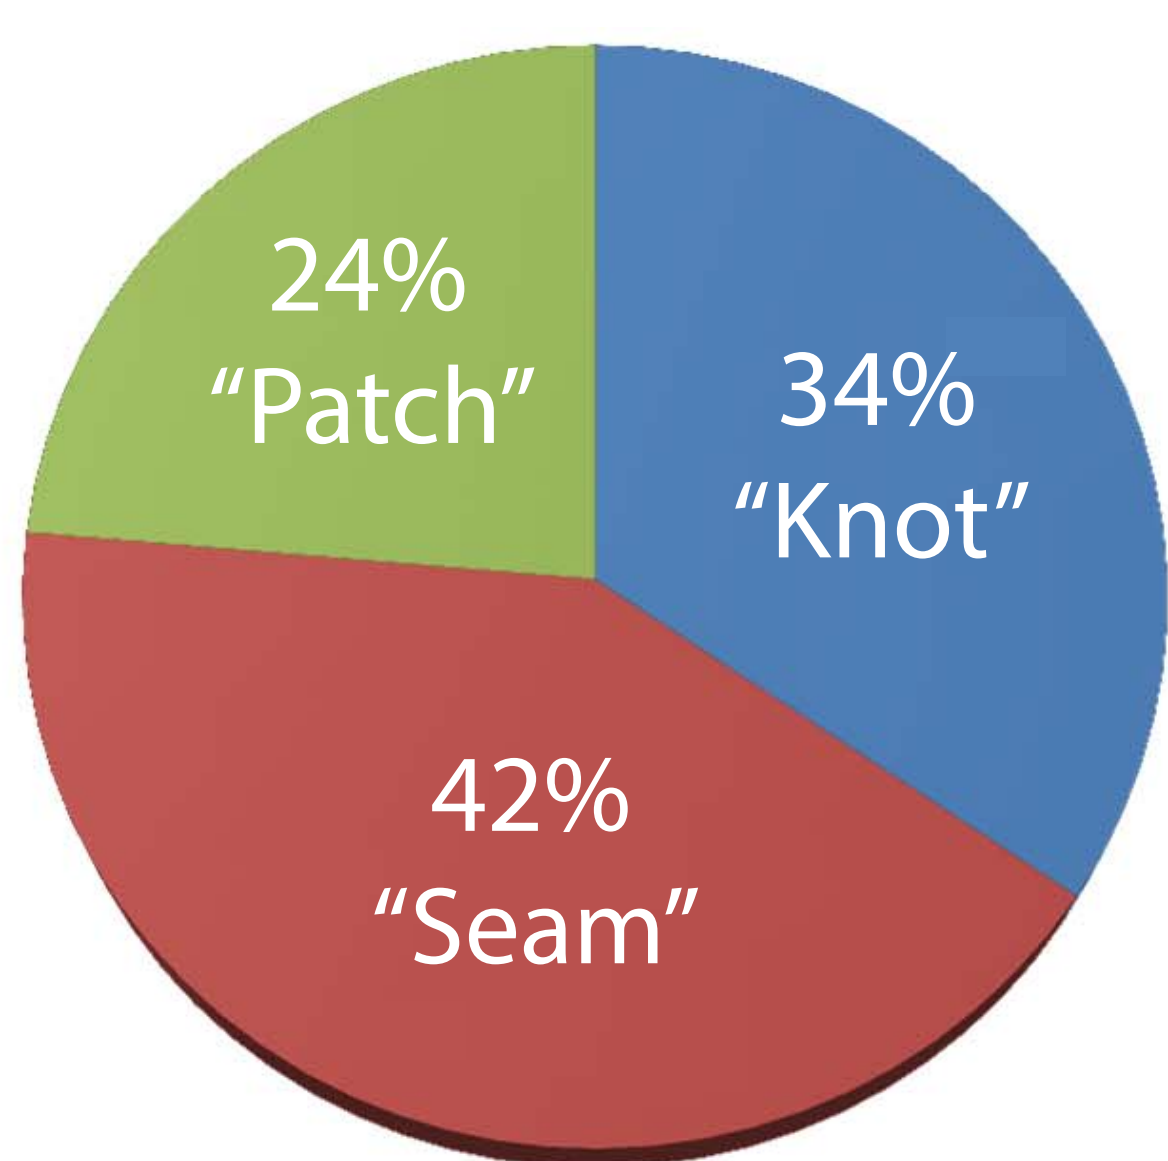

OPTION B - "SEAM"

10 RILEY PARK PHASING STRATEGY

What Are the Priorities for Phase 1 Construction of Riley Park?

Your input from Open House #1 and #2 has informed the Preferred Plan below developed for Riley Park. This Master Plan will guide future park development and prioritize park improvements for the current Capital Plan. In addition, there is approximately \$1.4 M available for park improvements in 2014 at the sites of the recently demolished buildings (Vancouver Curling Club, Percy Norman Pool and Riley Community Centre complex). It is anticipated that funding for additional improvements in the Master Plan will come from a future capital plan.

What would you like to see built at Riley Park as part of phase 1 construction in 2014- 2015?

A - Community Garden

B - Parking Lot Improvements

C - Segment of Multi-Use Structure

D - Children's Play Area

E - Greening Demolition Area

F - Covered Area/ Orchard at Community Use Bldg

G - Demonstration Garden

H - Native Habitat Planting

I - Improved Field Drainage
