

Marpole Park Info Session (comments from sticky notes)

- For security reasons, I would not change the park , but I would LOVE more investment on the park. Invest in flowers, bench, and info on archeology.
 - Love the idea of extending the park. Community garden would be great! Go for it.
 - Some fencing a good idea because of children and dogs.
 - Dog leash area for dogs no leash available. Covered benches.
 - More parks for humans.
 - Great idea to close off streets. People can park elsewhere.
