Re: SERVICING AND CALIBRATION OF EXHAUST GAS ANALYZERS

The City of Vancouver ("City") has a requirement to have the Exhaust Gas Analyzers for its three (3) Autoflame boilers serviced and calibrated by the Original Equipment Manufacturer.

The contract is valued at \$10,719.00.

It is to the City's knowledge that Pacific Boiler Ltd. is the only factory authorized Autoflame representative in British Columbia.

Anyone wishing to request more information and/or request that this contract be re-tendered by way of a public competitive procurement process is asked to **Brian Brennan**, Buyer II, in writing, by e-mail to brian.brennan@vancouver.ca.

Closing date and time: Tuesday, February 14, 2012 at 3:00 PM PST.
