THIS AGREEMENT made and entered into as of 1 January 2007.

BETWEEN:

THE CITY OF VANCOUVER

(hereinafter called the "Employer")

OF THE FIRST PART

AND:

LOCAL 213, INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS

(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS:

The Employer is an employer within the meaning of the Labour Relations Code, being Chapter 82 of the Statutes of British Columbia, 1992;

The Union is the bargaining authority for those employees employed by the Employer as electronic technicians, linemen, wiremen and helpers in the Electrical Operations Branch of the Electrical Division of the Engineering Department at Vancouver, B.C., except those excluded under the terms of the Labour Relations Code;

1. **COVERAGE**

THIS AGREEMENT shall constitute the wages and working conditions for the employees so certified.

2. **TERM OF THE AGREEMENT**

- (a) This Agreement shall be for a term of 5 years with effect from 2007 January 01 to 2011 December 31 inclusive.

It is understood and agreed between the Employer and the Union that the operation of subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

- (b) This Agreement shall continue in full force and effect and neither party shall make any change or alter the terms of this Agreement until:

- (i) the Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or

- (ii) the Employer can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (iii) the parties have concluded a renewal or revision of this Agreement or have entered into a new Collective Agreement;

whichever is the earliest.

3. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after 26 June, 1975, shall apply to the Union to become members thereof by the pay period immediately following completion of 30 calendar days of employment. All present employees who are now members of the Union and those employees who subsequently become members of the Union shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues, in accordance with the Constitution of the International Brotherhood of Electrical Workers and the By-laws of Local 213 of the International Brotherhood of Electrical Workers, that all other members of the Union are required to pay to the Union nor shall any employee be deprived of employment by reason of the refusal of the Union to admit such employee to membership in the Union.

All employees covered by the Union Certificate of Bargaining Authority shall pay to the Union an amount equal to the Union's dues, such payment to be made by payroll deduction. This deduction shall become effective on the first day of the month coincident with or next following the date of appointment, but the deduction shall be made only if the employee is still in the employ of the Employer on the final day of the first pay period in that month. Deductions shall be made in respect of all subsequent months provided an employee works for a sufficient portion of the month to be required by the terms of the Union's Constitution and By-laws to contribute dues for that month. These arrangements shall remain in effect for so long as this Union remains the recognized bargaining authority.

4. RIGHTS OF MANAGEMENT

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this contract.

5. EMPLOYEE DEFINITIONS

The following terms defined in this Clause unless otherwise specifically provided herein, shall have for the purposes of this Agreement the meanings hereinafter specified:

- (a) "Regular Full-Time Employee" means an employee who is employed on a full-time basis of thirty-seven and one-half (37½) weekly hours for an indefinite period of time;
- (b) "Temporary Full-Time Employee" means an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time (which may be extended or cut short by circumstances which could not be foreseen at the time of hiring).

6. REMUNERATION

6.1 Hourly Rates

The hourly rates of pay set out in Schedule "A" shall apply during the term of this Agreement and employees shall be paid bi-weekly.

6.2 Acting Pay

On every occasion that an employee is temporarily required to accept the responsibilities and carry out the full duties of a position covered by this Agreement which is at a higher rate of pay than the position which the employee normally holds, the employee shall be paid for every day that the duties of the higher rated position are carried out at the rate of pay for such position. Appointment of employees to a level of higher responsibility must be authorized in writing by the Superintendent.

7. OVERTIME

- (a) The rate of pay for overtime on any regular working day shall be at the rate of 150% of the regular rate for the first 2 hours of overtime immediately following an employee's regular shift or for the first 2 hours of overtime immediately preceding an employee's regular shift where pre-scheduled by notice provided prior to the end of the employee's previous regular shift, and 200% of the regular rate for all other overtime worked.

It is understood that only 2 hours of overtime on any regular working day shall be paid at the rate of 150% of the regular rate. Relief shall be for a period of not less than 8 hours.

- (b) Time worked by shift employees in excess of 7½ (seven and one-half) hours in 24 (except when changing shift) shall be paid for as overtime.
- (c) Shift employees shall be paid at 200% of regular rates of pay for time worked on their scheduled days off.

PROVIDED THAT

- (d) At the time of working overtime the employee may elect either:

- (i) to take time off equivalent to the overtime earned; or
- (ii) to receive pay for the overtime worked.
- (iii) Cost Recovery

Effective 2008 March 11, notwithstanding items (i) and (ii) above, where an employee works overtime to deal with situations where the Employer is able to recover the overtime costs from the Provincial Emergency Program, the Employer shall have the option of paying the employee for such overtime, or granting the employee compensating time off in lieu of being paid for such overtime.

- (e) Notwithstanding the provisions of Clause 7(d):
 - (i) should any employee at any time be entitled to 20 days off as compensation for overtime worked, the Employer shall not allow such employee to work any further overtime until the employee has taken at least 10 days off;
 - (ii) every employee shall be allowed to keep 10 days' overtime accumulated at all times except as provided in Clause 7(e)(iii); if an employee's overtime accumulates beyond 14 days, the Employer may schedule the employee's overtime off back to 10 days;
 - (iii) after 1st October, the Employer shall, insofar as possible, schedule off all accumulated overtime earned before the end of each year and any overtime credit that still remains will be paid at 31st December. PROVIDED, HOWEVER, that an employee shall be entitled to take time off equivalent to or receive payment for not more than 5 working days' accumulated overtime remaining outstanding at 31st December in any calendar year not later than 1st September in the calendar year immediately following; such accumulated overtime to be credited to the employee at the rate of pay applicable in the calendar year in which it was earned.
- (f) Every employee who works outside the employee's regular hours by prearrangement with the Employer shall be paid at 200% of regular rates, with a minimum of 2 hours; provided however that:
 - (i) such minimum shall not apply to shift extensions prior to or following the employee's regular working hours, and
 - (ii) the employee shall not be entitled to payment for travel time to and from the place of work to which the employee is to report.

When scheduling pre-arranged overtime, the Employer will give preference to employees who have the fewest number of overtime hours, including those employees who reside outside the area shown outlined in black on the plan annexed hereto and marked Schedule "E". This preference shall not be given

over an employee or employees who have prepared a job and have to "cut it in". The employees to whom preference is given under this Clause 7(g) shall be finally determined by the Employer or duly authorized representative. Pre-arranged overtime under this Clause 7(f) is not a callout within the meaning of Clause 8.

- (g) Effective 2008 March 11, an employee who works overtime by prearrangement under (f) above commencing more than 4 hours prior to the commencement of the employee's next regular working day shall:
 - (i) be entitled to a period of not less than 8 consecutive hours' relief calculated from the time the employee arrives home having proceeded directly thereto at the conclusion of the work the employee was prearranged to perform; and
 - (ii) report for work at the conclusion of such relief period or the commencement of the employee's next regular working day, whichever is the later, and carry on the employee's normal work at the appropriate rates of pay provided for in this Agreement until such time as the employee has earned the equivalent of the employee's normal day's pay, and if the Employer does not provide the employee with sufficient work to enable the employee to earn the employee's normal day's pay and the employee is available and able to work then in addition to the pay which the employee has earned for the time worked (if any), the Employer shall pay the employee for the time the employee would have worked had the Employer been able to provide the employee with work but such pay shall not exceed an amount equal to the employee's normal day's pay.
- (h) Notwithstanding the provisions of Clauses 7(d) and 7(e), no employee shall take time off in respect of overtime worked without first having obtained the approval of the Employer.

8. CALLOUT OR EMERGENCY PAY

- (a) An employee called out to work at any time other than overtime pre-scheduled prior to the end of the employee's regular previous shift shall be paid double time without exception for the time actually worked plus 1 (one) hour's allowance for travelling to and from home, with a minimum of 3 hours' pay X 2. If additional calls are made upon the employee prior to the expiry of the 3 hour period or prior to the employee's arrival home, whichever last occurs, such additional calls shall not attract an additional 3 hours minimum, but the employee shall be paid for the time actually worked plus an additional 1 (one) hour's allowance for travelling to and from home. If 2 separate callouts are completed within a 3 hour period, the minimum payment shall be 4 hours X 2. If the public transportation system is not in operation at the time of callout, the Employer will supply transportation.

The operation of this subclause is subject to a Letter of Understanding between the parties and dated 3 December, 1982, incorporating examples of the callout provisions.

(b) Remote Access/Assistance

Effective 2008 March 11:

When an employee is contacted for assistance and is able to resolve the problem over the telephone (or by computer) and does not have to report to a worksite, the employee shall be paid double the employee's regular rate of pay for the actual time worked, with a minimum of one (1) hour. Any subsequent contact that occurs within one (1) hour of the first call shall not result in any additional payments. A telephone call that occurs after the one (1) hour period shall result in another one (1) hour payment at double the employee's regular rate of pay. An employee shall not be eligible for this form of callout should a return to the worksite (Callout, Clause 8(a) above) result from the issue being discussed.

- (c) An employee called to work within a period of 4 hours prior to the commencement of the employee's regular working day shall be paid at 200% of the regular rate until the commencement of the employee's regular working day and at the employee's regular rate for the next 7½ (seven and one-half) working hours.
- (d) Any employee covered by this Agreement who is required to work on poles, towers or fixtures, at an elevation exceeding 80 feet above the level of the surrounding ground shall be paid double the employee's regular rate for the time while actually employed above the said height of 80 feet.
- (e) An employee who is called to work outside of the employee's normal working hours more than 4 hours prior to the commencement of the employee's next regular working day shall:
- (i) be entitled to a period of not less than 8 consecutive hours' relief calculated from the time the employee arrives home having proceeded directly thereto at the conclusion of the work the employee was called out to perform; and
 - (ii) report for work at the conclusion of such relief period or the commencement of the employee's next regular working day whichever is the later and carry on the employee's normal work at the appropriate rates of pay provided for in this Agreement until such time as the employee has earned the equivalent of the employee's normal day's pay and if the Employer does not provide the employee with sufficient work to enable the employee to earn the employee's normal day's pay and the employee is available and able to work then in addition to the pay which the employee has earned for the time worked (if any), the Employer shall pay the employee for the time the employee would have worked had the Employer been able to provide the employee with work

but such pay shall not exceed an amount equal to the employee's normal day's pay.

Notwithstanding anything contained in this Clause 8, the Employer shall not be required to call out or include in any callout schedule any employee living outside the area shown outlined in black on the plan hereunto annexed and marked Schedule "E". Nothing herein contained shall prevent the Employer in its discretion, from calling out employees residing outside the said area.

9. VACATIONS AND PUBLIC HOLIDAYS

9.1 Vacations

Paid annual vacation for Regular Full-Time Employees covered by this Agreement shall be allowed as follows:

- (a) Effective 2008 March 11, in the first calendar year of service, vacation will be granted on the basis of one-twelfth ($1/12$) of fifteen (15) working days for each month or portion of a month greater than one-half ($1/2$) worked by 31 December.

PROVIDED THAT

- (g) "calendar year" for the purposes of this Agreement shall mean the twelve-month period from 1 January to 31 December, inclusive;

PROVIDED HOWEVER THAT the maximum deferred vacation which an employee may accumulate at any one time pursuant to this Clause 9.1(j) shall be 20 working days which may be taken at any subsequent time by mutual agreement between the Employer and the employee. For the purposes of this Clause 9.1(j), a week means 5 working days.

(k) Early Retirement

An employee entitled to twenty-five (25) or more days of annual vacation shall be entitled to defer up to five (5) days per year of such vacation into an Early Retirement Bank. An employee entitled to thirty (30) or more days of annual vacation shall be entitled to defer up to ten (10) days per year of such vacation into an Early Retirement Bank. The Employer may, instead of having all employees observe the public holiday on the same day, declare both the Friday immediately preceding the public holiday and the Monday immediately following the public holiday for the observance of the public holiday. Those employees designated by the Employer shall be entitled to a holiday with pay in lieu on the Friday and those employees designated by the Employer shall be entitled to a holiday with pay in lieu on the Monday named by the Employer. The Employer may designate some employees to observe the holiday on the actual day of the public holiday.

Notwithstanding the above paragraph, whenever Christmas and Boxing Day fall on Saturday and Sunday, the Employer may designate the immediately following Monday and Tuesday as the days for some or all employees to observe the public holidays.

- (c) Prior to the beginning of each calendar year, the Employer and the Union may discuss which days will be considered as the recognized public holiday for purposes of applying the public holiday premium pay for working on the recognized public holiday. absence. The Employer may change the said schedule from time to time during the year and shall give as much notice as possible to the employees affected by such change, but in any event not less than 7 days' notice. Where an employee entitled to such leave of absence commences or terminates employment during any calendar year, the employee's special leave of absence during the calendar year of commencement or termination shall be $\frac{1}{12}$ (one-twelfth) of 17 days for each month greater than $\frac{1}{2}$ (one-half) worked following commencement or prior to the date of termination. - (d) When Sick Leave is earned for a period of less than six months, a month shall be equivalent to a credit of one and one-half (1½) days and no credit shall be given for a part of a month.

- (e) Sick Leave may be accumulated to a maximum of 261 working days.
- (f) A deduction shall be made from accumulated sick leave credits for all hours absent with pay due to illness except those resulting from an accident on the job for which the employee is covered by Workers' Compensation payments.

Deductions shall be made if the injury is not covered by Workers' Compensation solely because time absent is less than the qualifying period. Note: See Clause 10.5 B(2) for non-effect on gratuity benefits.

Note: a deduction will be made for all hours absent due to late arrivals and early departures for illness where the absence exceeds two hours.

- (g) Full sick leave credits will be given for absence in the following circumstances:
 - (1) Accident on job (Workers' Compensation case)
 - (2) Leave due to illness, either with or without pay
- (h) Any person requesting sick leave with pay may be required to produce a certificate from a duly qualified medical practitioner licensed to practice in the Province of British Columbia certifying that such person is unable to carry out their duties due to illness.
- (i) Notwithstanding the foregoing, Regular Full-Time Employees who have completed thirty (30) calendar days of continuous service shall be entitled to an advance of not more than five (5) days of sick leave with pay; provided that if any of such employees have been advanced sick leave with pay under this Clause and leave the service of the Employer for any reason prior to the completion of six (6) months of continuous service, the advanced payment shall be repaid to the Employer by deduction from the employee's pay cheque.

(2) Other Employees of the Employer Transferred to Positions Covered by this Agreement

Such employee shall be given the same credit as employees covered by this Agreement, the initial accumulated net credit at date of transfer, shall be determined by a summarization of the attendance records for the preceding six (6) years.

(3) Sick Leave Reimbursement

Where an employee is paid wages by the Employer while absent from employment by reason of any disability other than one for which the employee would be entitled to receive Workers' Compensation benefits, and the employee subsequently recovers such wages or any part thereof from any source, then the employee shall pay the amount so recovered to the Employer. Upon the Employer receiving such amount it shall credit the employee paying the same with the number of days of sick leave proportionate to the amount so recovered, and in addition thereto the number of days which the employee would have earned under the Gratuity Plan during the period of the disability but for such disability. This provision includes claims made to ICBC.

B. Gratuity Plan

(1) How Accumulated

A credit of three (3) working days per annum shall be given for each year of service, or for part of a year a credit of one (1) day for each four (4) months of service, which may be accumulated to a maximum of 120 working days.

(2) Deduction

A deduction is made from the current year's gratuity credits for all days absent on sick leave with pay, except that such deduction shall not exceed three (3) working days in any one (1) calendar year, or for any one illness. The total gratuity credited to each employee at December 31st of each calendar year will remain to such employee's credit regardless of time lost in any subsequent year through illness or any other reason.

(3) Establishment

(a) Transferred employees or new groups placed under this plan shall receive benefits from the same date that such employees come under the "Sick Pay Plan" and the initial net credits shall be determined by a summarization of the attendance records for the past six (6) years' employment with the Employer.

(b) New employees in any of the above groups commence accumulating from the effective date of employment, but receive no credits until the completion of six (6) months' service.

(4) Gratuity Leave

An employee who has completed not less than three (3) years of continuous service and is eligible for gratuity leave may be granted

leave up to the number of gratuity days accumulated; PROVIDED HOWEVER THAT:

- (a) The minimum gratuity leave which shall be taken shall be five (5) days and the maximum leave twenty (20) days. Only one period of gratuity leave may be taken in a calendar year.
- (b) An employee's right to gratuity leave shall be subject at all times to the exigencies of the Department of the employee and to the discretion of the Department Head.
- (c) An employee, who takes gratuity leave hereunder and terminates their employment for any reason prior to the completion of ten (10) years' continuous service shall repay the Employer the number of days' gratuity leave so taken.

(5) Payment in Cash

An employee or the employee's estate (as the case may be) shall be entitled to payment in cash for gratuity days accumulated in the event of normal retirement at minimum to maximum age, death in the service, permanent disability or leaving the service after completion of ten (10) years' continuous service.

(6) Procedure for Delaying Gratuity Payments on Termination of Service

Payment of the amount of gratuity, or any part thereof calculated as of the termination date of service with the Employer may, with employee's consent, be delayed for a period not exceeding twelve (12) months. If an employee desires to delay the payment of any of the gratuity, the employee shall notify the General Manager of Human Resources to that effect prior to the last day of work for the Employer. The delayed amount shall be paid in a single sum, plus interest, for the period of the delay at a rate to be determined from time to time by the Director of Finance.

(7) For a period of five (5) years from 2007 January 01, to and including 2011 December 31, the following provisions shall apply:

- (a) Employees who qualify for gratuity credits shall be credited with one (1) working day for every four (4) months of continuous service with the Employer, which may be accumulated to a maximum of three (3) working days per annum. An employee may accumulate a credit of not more than one hundred twenty (120) working days under this gratuity plan.
- (b) A deduction is made from the current year's gratuity credits for all days absent on sick leave with pay, except that such deduction shall not exceed three (3) working days in any one (1) calendar year, nor more than one (1) working day in any said

four (4) months of continuous service in any one (1) calendar year or for any one (1) illness. The total gratuity credited to each employee at December 31 in each calendar year will remain to such employee's credit regardless of time lost in any subsequent year through illness or any other reason.

Commencing 11:59 p.m. on 2011 December 31, the employees shall again be bound by the former provisions for granting Gratuity in order to analyze any improvements in the use of sick leave during the said five (5) year period. Following 2011 December 31, the crediting and debiting of sick leave gratuity may be a subject for 2012 negotiations.

C. Workers' Compensation

(1) Where an employee suffers from a disease or illness or incurs personal injury (which disease, illness or injury is hereinafter called the "disability") and is entitled to time loss compensation therefor under the Workers' Compensation Act, the employee shall not be entitled to use sick leave credits for time lost by reason of any such disability.

(2) Effective 2008 March 11:

Any employee whose claim for WorkSafeBC temporary disability benefits is accepted by WorkSafeBC, shall assign the employee's WorkSafeBC cheque to the Employer and the Employer shall pay the employee's approximate net salary. During a period of time that WorkSafeBC is adjudicating the employee's claim for temporary disability benefits, the Employer will, in the form of an advance, pay approximate net salary to the employee for as long a period as the employee has sick leave credits, gratuity, vacation, and overtime credits. When WorkSafeBC renders a decision, the employee's pay shall be recalculated retroactive to the date of the claim based on the applicable source of pay for the employee (e.g. WorkSafeBC make-up, sick leave, gratuity, vacation, overtime credits).

(3) Employees receiving Workers' Compensation Allowance for a recurrence of an injury or ailment suffered prior to employment with the Employer shall not be covered by this provision. Such employees shall receive the WorkSafeBC cheque only.

D. Family Illness

Effective 2008 March 11:

Where no one other than the employee can provide for the needs of an immediate member of the employee's family (spouse, child, parent) during an illness, an employee shall be entitled, after notifying the employee's immediate Supervisor, to use up to two (2) accumulated sick leave days per calendar year for this purpose. In exceptional circumstances the employee's Manager may approve additional leave.

In order to comply with the requirements regarding eligibility for Employment Insurance rebates, only those employees who have more than twelve (12) days' sick leave credits are entitled to use sick leave for family illness as outlined herein.

10.6 Compassionate Leave

- (a) Emergency leave in the case of the death of an employee's wife, husband, common-law spouse, child, ward, brother, sister, parent, parent-in-law, grandchild, grandparent, guardian or other relative if living in the employee's household, may be granted without loss of pay for a period not to exceed three (3) working days, provided that such leave without loss of pay shall not be granted during an employee's first six (6) months of service.
- (b) Any employee who qualifies for emergency leave without loss of pay under paragraph (a), and who is required to travel in connection with the funeral to a point outside the Lower Mainland of British Columbia (defined as the area included within the Greater Vancouver Regional District, Fraser Valley Regional District, Powell River Regional District, Squamish-Lillooet Regional District and Sunshine Coast Regional District) may be granted additional leave without loss of pay for a further period of two (2) working days.
- (c) Requests for leave under paragraph (a) and (b) shall be submitted to the employee's Department Head who will determine and approve the number of days required in each case.
- (d) An employee who qualifies for emergency leave without loss of pay under paragraph (a) herein may be granted such leave when on annual vacation if approved by the Department Head. An employee who is absent on sick leave with or without pay or who is absent on Workers' Compensation, shall not be entitled to such emergency leave without loss of pay.
- (e) Upon application to, and upon receiving the permission of the Department Head, an employee may be granted leave of up to one-half ($\frac{1}{2}$) day without loss of pay in order to attend a funeral as a pallbearer or a mourner in any case other than one covered by paragraph (a).

10.7 Vancouver Employees' Savings Plan

Subject to the rules of the Plan, Regular Full-Time Employees shall participate in the Vancouver Employees' Savings Plan whereby the Employer contributes one and one-half percent ($1\frac{1}{2}\%$) of the employee's salary and the employee contributes the same amount by payroll deduction.

10.8 Pension 'Buy-Back' Provision

Where an employee has, prior to retirement, paid the full cost of extending their pensionable service by purchasing time served by the employee in a probationary capacity with the Employer which has not heretofore been considered as pensionable service, the Employer shall, upon the employee's retirement, reimburse the employee

for one-half ($\frac{1}{2}$) of the costs previously paid by the employee provided the employee has reached the minimum retirement age. This provision is subject to the provisions of the Municipal Pension Plan and the maximum period of time that the Employer will cost share with the employee is six (6) months.

10.9 Supplementary Employment Insurance Benefits

- (a) Birth mothers who are entitled to maternity leave and who have applied for and are in receipt of Employment Insurance benefits are eligible to receive SEIB Plan payments. See Clause 10.10(b) for application to Temporary Full-Time Employees.
- (b) Subject to the approval of the Employment Insurance Commission, birth fathers who, due to the death or total disability of the birth mother, have applied for and are in receipt of Employment Insurance maternity benefits are eligible to receive SEIB Plan payments.
- (c) The SEIB Plan is intended to supplement the Employment Insurance benefits received by employees while they are temporarily unable to work as a result of giving birth.
- (d) The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and ninety-five percent (95%) of their gross weekly earnings and is paid as follows:
 - (1) for the first six (6) weeks, which includes the two week Employment Insurance waiting period; and
 - (2) up to an additional eleven (11) weeks will be payable if an employee continues to receive Employment Insurance benefits and is unable to work due to a valid health reason related to the birth and provides the Employer with satisfactory medical evidence.
- (e) The Plan meets the requirements of Section 38 of the Employment Insurance Regulations, specifically that, when combined with an employee's weekly Employment Insurance benefit, the payment will not exceed the claimant's normal weekly earnings from employment and an employee's accumulated leave credits will not be reduced.
- (f) Income tax rules or regulations may require a payback of Employment Insurance earnings, depending upon the tax rules in effect at the time an employee is receiving benefits. Under the SEIB Plan, the Employer does not guarantee any specific level of earnings but rather are liable only for the payment of the benefit as described above. The Employer, under no circumstance, will be responsible for any paybacks arising from changes to or the application of the tax regulations.

10.10 Benefits for Temporary Full-Time Employees

- (a) Temporary Full-Time Employees shall be entitled to twelve percent (12%) of their regular earnings in lieu of all benefits including those providing for time off with pay except Public Holidays.
- (b) Notwithstanding paragraph (a), Temporary Full-Time Employees shall be eligible for the Maternity Supplementary Employment Insurance Benefits (SEIB) provided in Clause 10.9. Employees who qualify for the SEIB plan shall receive SEIB plan benefits to the end of their temporary term of employment or the end of the SEIB plan benefit, whichever comes first.
- (c) Temporary Full-Time Employees shall not receive such percentage in lieu of benefits when on any unpaid leave of absence.
- (d) Subject to paragraph (e), where a Temporary Full-Time Employee is appointed to a regular full-time position, the straight time hours worked as a Temporary Full-Time Employee on and after 2005 February 10 shall be applied towards benefit waiting periods and shall be included in calculating seniority and length of service after the employee completes the Probationary Period.
- (e) Temporary Full-Time Employees who have a break in service of one (1) year or more shall be treated as new employees for all purposes if subsequently rehired.

11. WORKING CONDITIONS

11.1 Hours of Work

(a) Normal Hours of Work

Subject to the exceptions referred to in paragraph (b), the hours of work shall be seven and one-half (7½) consecutive hours per day exclusive of an unpaid one-half (½) hour for lunch, Monday to Friday, between the hours of 7:30 a.m. and 3:30 p.m. Employees shall be given a minimum of two (2) weeks' notice of a seasonal change in their daily hours to 7:00 a.m. and 3:00 p.m. Employees shall have two (2) ten (10) minute rest periods each day. Thirty-seven and one-half (37½) hours shall constitute a work week.

(b) Shift Work

Not more than fifteen (15) employees shall be assigned to work shifts as follows:

(1) Days

Employees may be required to work seven and one-half (7½) consecutive hours per day exclusive of an unpaid one-half (½) hour for

lunch, on any five (5) consecutive days between the hours of 7:00 a.m. and 3:30 p.m.

(2) Afternoons

Employees may be required to work seven and one-half (7½) consecutive hours per day exclusive of an unpaid one-half (½) hour for lunch, on any five (5) consecutive days between the hours of 3:00 p.m. and 12:00 midnight.

(3) Nights

Employees may be required to work seven and one-half (7½) consecutive hours per day exclusive of an unpaid one-half (½) hour for lunch, on any five (5) consecutive days between the hours of 11:00 p.m. and 8:00 a.m.

(4) Shift Change Notice

Employees covered by paragraph (b) shall be given a minimum of one (1) week's notice of a change in their daily hours or their days of work, subject to paragraph (5).

(5) An employee who occupies a posted Monday-Friday work week position shall not be required to change their days of work. However, where a position that is occupied by an employee who is protected by this paragraph (5) becomes vacant, the Employer may post it with a different work week. If it is posted as a permanent Monday-Friday position, the employee who occupies the position shall be covered by this paragraph.

(6) The following named employees shall be allowed reasonable time for lunch as part of their seven and one-half (7½) hour work day when working on Afternoons, Nights, Saturdays or Sundays:

Ray Chernoff
Keith Kalyniuk

Vern Ellingsen

If one of the above named employees is appointed to a Monday to Friday day shift position, the provisions of this paragraph will no longer apply and the employee's name shall be removed from the list.

(c) Notwithstanding the range of hours specified in paragraphs (a) and (b), the work day for an employee working as a Trades Supervisor may be adjusted to start one-half hour earlier than the start time of the work crew(s) supervised.

11.2 Shift Differential

A shift differential of seventy-five cents (75¢) (effective 2008 March 11, eighty-five cents (85¢)) per hour shall be paid to all employees who are assigned work hours the majority of which fall outside the hours of 7:00 a.m. - 3:30 p.m.

11.3 Emergencies

In cases of emergency, the Employer may call out to work any such number of employees for such length of time as the Employer considers necessary.

11.4 Standby

- (a) An Electronic Technician (Radio Shop), and a Wireman where necessary, shall be required to be on "standby" duty each weekend and on public holidays. No regular standby shall be specified during the week but if employees are needed in an emergency on week nights, they shall be called as specified under Clause 11.3 hereof. The Employer shall provide seven (7) calendar days' notice when a Wireman is required to be on standby.
- (b) The standby time shall be rotated throughout the skilled tradesmen in the branch.
- (c) Standby pay shall be at the rate of 4 hours' straight time for each 24 hours of standby (prorated as necessary on the basis of 1 hour for each 6 hours of standby). Standby periods shall be scheduled to consist of either a weekend of from 2 to 4 consecutive days, or a single public holiday.

Where the standby period exceeds a multiple of six (6) hours, the residual balance shall be compensated as follows:

- (i) one-half ($\frac{1}{2}$) hour's standby pay for periods of three (3) hours or shorter;
- (ii) one (1) hour's standby pay for periods of more than three (3) hours.
- (d) An employee shall elect at the time the employee serves a standby period whether to receive standby pay as provided under Clause 11.4(c) or time off in lieu thereof. The time when an employee receives time off will remain in the discretion of the Employer.
- (e) In order to fairly distribute overtime work among the employees, the shop steward will from time to time supply the Employer with a list of names of 3 employees who will be available for standby duty on weekends and public holidays and if at any time any employee included on a standby rotation schedule is unable for any reason to take a call, the Superintendent shall replace such employee with 1 (one) of the employees on the shop steward's list. The Superintendent shall be obligated to make such substitutions only if there is an employee on the shop steward's list who is qualified to do the work required.

Notwithstanding anything contained in this Clause 11.4, the Employer shall not be required to provide standby time or include on any standby rotation schedule any employee living outside the area shown outlined black on the plan hereunto annexed and marked Schedule "E"; provided however that if, on 31 December, 1972, such employee was an employee of the Employer covered by the Collective Agreement dated 6 April, 1972 and made between the parties hereto and resided outside the said

area, then such employee shall be eligible for standby time but the Employer shall not be required to call out such employee and may in an emergency call out another employee instead. Nothing herein contained shall prevent the Employer, in its discretion, from requiring employees residing outside the said area to be on standby duty and included in the standby rotation schedule.

11.5 Promotional and Demotional Policy

In making promotions and demotions, the skill, knowledge and efficiency of the employees concerned shall be the primary consideration and where such qualifications are equal, seniority within each of the classifications set out in Schedule "B" to this Agreement shall be the determining factor. The Employer shall be the judge of the skill, knowledge and efficiency of every employee.

11.6 Probationary Period

- (a) All employees (including journeymen who have successfully completed an apprenticeship program with the Employer) shall be required to serve a 6 month probationary period before being confirmed in their respective classifications.
- (b)
 - (1) All new Regular Full-Time and Temporary Full-Time Employees shall be placed in a probationary capacity until the completion of 6 months' continuous service. Where a probationary employee is absent for 10 (ten) or more working days during the probationary period, the probationary period shall be extended by the total number of days absent.
 - (2) Such probationary period shall be for the purpose of determining a person's suitability for continued employment. At any time during such period, a probationary employee may be terminated if it can be satisfactorily shown that the probationary employee is unsuitable for regular employment.
 - (3) A probationary employee's suitability for regular employment shall be determined by the Employer and will be decided on the basis of factors such as:
 - (i) the quantity and quality of the employee's work
 - (ii) the employee's conduct
 - (iii) the employee's capacity to work harmoniously with others
 - (iv) the employee's ability to meet standards set by the Employer.
 - (4) If a probationary employee continues in the same position on a regular basis, seniority, holiday benefits and other perquisites referable to length of service shall be based on the original date of employment.

11.7 Trial Period

On promotion or transfer, an employee shall serve a six (6) month trial period before being confirmed in the appointment. Where an employee is absent for ten (10) or more

days during the trial period, the trial period shall be extended by the total number of days absent. If the appointment is not confirmed, the employee shall revert to the previous position held or to a position of equal value to the previous position for which the employee is qualified.

11.8 Posting Vacancies

When a vacancy exists for a Regular Full-Time position, the Employer shall, for a period of seven (7) calendar days, post notice of the vacancy at work sites within the Electrical Division and in the Human Resources Department and shall coincidentally provide the Union with a copy of the notice. The Union will be provided with forty-eight (48) hours' notice of all temporary employment opportunities. The final decision for making any appointments rests with the Employer.

11.9 Leave of Absence

The Employer may grant leave of absence without pay for up to one (1) year to employees, if such leave of absence will not interfere with the smooth and efficient operation of the employee's work area, and if such request is made a reasonable time before the date on which such leave is to commence.

11.10 Safety Precautions

- (a) All relevant regulations of the Workers' Compensation Act shall be observed and adhered to.
- (b) The Employer, the Union, and the employees agree that all parties have a responsibility to provide and maintain a safe work environment. All parties agree to work cooperatively to support and develop safe work practices that will not place individual employees, co-workers, the public or the City at risk.

11.11 Special Clothing

- (a) Rain gear will be made available to all employees covered by this Agreement when in the opinion of the Employer the weather and working conditions are such as to necessitate the use of such clothing;
- (b) The Employer agrees to provide coveralls for the electronic technicians.

11.12 Replacement of Tools

The Employer agrees to replace tools lost through accident, breakage or theft, except where such loss is caused or contributed to by carelessness or misuse on the part of the employee.

11.13 Duties

The various classes of employees covered by this Agreement as set out in Schedule "A" to this Agreement are defined in Schedule "B" hereto, and the duties of such

classes of employees shall be as set out in said Schedule "B". Every employee shall be paid according to the class of work being performed.

11.14 Access to City Operations

The Union representative shall be accorded reasonable access to any of the Employer's electrical or construction operations.

11.15 Changes Affecting the Agreement

The Employer agrees that wherever practicable any reports or recommendations to be made to the City Council dealing with matters covered by this Agreement will be communicated to the Union at such interval before they are dealt with by the City Council so as to afford the Union reasonable opportunity to consider them and, if necessary, to protest them when they are dealt with by the City Council.

12. ABSENCE FROM DUTY OF UNION OFFICIALS

The representatives of the Union who act for the Union in collective bargaining with the Employer not exceeding 3 in number shall be granted such leave of absence with pay as may be necessary to carry out their duties in this capacity, subject to the discretion of the Employer.

13. GRIEVANCE PROCEDURE

13.1 Grievances

Any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application or operation of this Agreement, or any alleged violation thereof, including any question as to whether any matter is arbitrable, shall be dealt with without stoppage of work in the following manner:

- (a) The aggrieved employee shall first take up the matter with the immediate supervisor within 10 calendar days of the occurrence of the incident, it being understood, however, that a grievance may be filed by the Shop Steward or the Union within 10 calendar days of their becoming aware of the occurrence. At the option of the aggrieved employee a Shop Steward or Union representative may be present at the meeting.
- (b) If the matter is not satisfactorily resolved within 10 calendar days of being referred to the immediate supervisor, the aggrieved employee, the Shop Steward or the Union representative shall, within a further 10 calendar days, give in writing full particulars of the grievance to the City Engineer.
- (c) If the alleged grievance is not settled within 10 calendar days of being referred to the City Engineer, the matter shall, within a further 10 calendar days, be referred to the City Manager who shall arrange for meetings with the Union within 10 calendar days from receipt of such request.

- (d) If the alleged grievance is not settled within 10 calendar days of the meeting with the City Manager, then within a further 10 calendar days, the Union may refer the matter to a Board of Arbitration for final and conclusive determination, without stoppage of work.
- (e) The time limits set out in paragraphs (a), (b), (c) and (d) above may be extended by mutual agreement between the parties.

13.2 General Application Dispute

When a "dispute", as defined in the Labour Relations Code, arises between the parties, including any difference concerning the interpretation, application, operation or alleged violation of this Agreement which does not specifically involve an employee, the matter may be submitted in writing by the Union to the City Engineer or Director of Human Resources or, alternatively, by the Employer to the Union, as the case may be. If a satisfactory settlement is not reached with the City Engineer or Director of Human Resources and the Union within 10 calendar days of being submitted in writing, such matter may, within a further 10 calendar days, be referred to the City Manager as provided for in Clause 13.1(c).

If a satisfactory settlement is not reached within 10 calendar days of being referred to the City Manager then, within a further 10 calendar days, such matter may be referred to Arbitration under Clause 13.1(d) and as provided for in Clause 13.3.

13.3 Arbitration

A board of arbitration shall consist of 3 persons, 1 (one) to be chosen by each party and the third, who shall be chairperson, to be selected by the 2 (two) so appointed. The representatives of the parties concerned must meet within 10 calendar days of appointment and are allowed a further 10 calendar days to agree upon a chairperson. If they are unable to agree upon or otherwise fail to appoint a chairperson either party may apply to the Minister of Labour to appoint a chairperson. In all other respects the provisions of the Labour Relations Code shall apply. The decision of the Arbitration Board shall be final and binding on both parties. Each party shall bear the expenses of the arbitrator appointed by such party and shall pay half the expense of the chairperson.

14. AGREEMENT AS TO CONDITIONS NOT MENTIONED

Any working conditions, holiday benefits, welfare benefits or other conditions of employment at present in force and recognized by both parties which are not specifically mentioned in this Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this contract.

15. OCCUPATIONAL HEALTH PLAN

All employees covered by this Agreement shall be subject to the provisions of the Occupational Health Plan as agreed to between the Employer and the Union.

16. EMPLOYMENT EQUITY

The Employer and the Union agree with the concept of employment equity which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

17. SHOP STEWARD

The Union shall keep the Employer informed of the names of Shop Stewards representing the employees, such information to be provided on a current basis and in writing.

18. HUMAN RIGHTS

The Employer and Union agree that any form of discrimination (including sexual harassment) under the prohibited grounds of the B.C. Human Rights Code shall not be tolerated in the workplace.

19. CONTRACTING OUT OF WORK

It is agreed between the Employer and the Union that the Employer shall be free so far as it desires to do so to enter into a contract or contracts with any bona fide electrical or electronic contractor or contractors for the performance or provision of the work and/or services or any part of such work and/or services presently performed by the electronic technicians, linemen, wiremen and helpers in the Electrical Operations Branch of the Electrical Division of the Engineering Department of the Employer under the terms of this Agreement, or such other work and/or services or any part of such other work and/or services coming within the jurisdiction of the Union.

If the Employer takes a decision to enter into any contract or contracts as hereinbefore provided then the Employer shall be at liberty at any time thereafter as it sees fit to lay off any or all of the employees covered by this Agreement in accordance with Clause 20.

Nothing contained in this Clause shall in any way restrict, hinder, limit or impede the Employer's right to dismiss or lay off an employee covered by this Agreement for any other lawful reason or grounds.

20. LAYOFF AND RECALL

In the event of a conflict between this Clause 20 and any other provision of the Agreement, this Clause shall apply.

For the purpose of this Clause 20, the following definitions apply:

"classification" means one of those as set out in Schedule "B", except that Trades Supervisor and Leadhand shall be considered in their respective journeymen classifications, and apprentices, including completed apprentices, shall be considered in the helper classification;

"classification seniority" means the length of continuous regular full-time employment since the last date of hire in the classification held at the time of layoff;

"competent" means having the skills, knowledge and abilities, as evaluated by the Employer, and the requisite trades qualifications to perform the duties and fulfill the responsibilities of a position, and "competence" has a similar meaning;

"laid off employee" means an employee who ceases work as a result of a layoff but does not include a terminated employee;

"layoff" means a reduction in the work force for an indefinite period of time;

"other employment" means work that may be made available by the Employer to laid off employees and does not constitute a recall as herein defined;

"recall" means the return of a laid off employee, as the regular incumbent, to a regular full-time position in the same classification as that held at the time of layoff;

"terminated employee" means an employee who is terminated pursuant to paragraph (b)(vi) of this Clause 20, or who elects or is deemed to have elected compensation pursuant to paragraph (a)(iv);

"work force" means Regular Full-Time Employees, it being understood that temporary employees and probationary employees shall be eliminated by classification subject to their competence before a layoff occurs in that classification.

- (a) The following principles shall apply in the event of a layoff:
- (i) A layoff shall be effected by the Employer in accordance with the principle that in each classification to be reduced the least senior employee(s) shall be laid off provided that the remaining employees possess the competence for the remaining positions.
 - (ii) Employees who are to be laid off shall be given at least 10 working days' written notice (or pay in lieu of notice or combination of both) advising them of their effective date of layoff.
 - (iii) Benefits for laid off employees shall cease on the effective date of layoff with the exception of medical, extended health and dental, which shall be discontinued effective the end of the month in which the effective date of layoff occurs.

- (iv) At least 5 working days prior to their effective date of layoff employees will be required to elect in writing to avail themselves of the procedures set forth under paragraph (b) Recall OR paragraph (c) Compensation. If an employee fails to make such election within the specified time period the employee shall be deemed to have elected (c) Compensation.

(b) Recall

The following shall apply only to laid off employees who have elected this process pursuant to paragraph (a)(iv) of this Clause 20:

- (i) Laid off employees shall be eligible for recall for a period of 6 months following their effective date of layoff.
- (ii) The Employer shall make every reasonable attempt to contact and recall laid off employees in order of classification seniority, subject to their competence.
- (iii) In recalling a laid off employee, the Employer shall advise the employee by double-registered letter directed to the latest mailing address provided by the employee. Terminated employees shall receive written notice of the effective date of termination.

- (vii) No new Regular Full-Time Employees shall be hired in a classification while competent employees are eligible for recall.
- (viii) A laid off employee's acceptance or refusal of other employment as herein defined shall not affect recall rights under this Clause 20.

(c) Compensation

The following shall apply only to laid off employees who have elected this process, or who are deemed to have elected this process, pursuant to paragraph (a)(iv) of this Clause 20:

(the "Union")

RE: APPRENTICESHIP PROGRAM

Effective 2008 March 11:

The purpose of this Letter of Understanding is to outline the agreement between the City of Vancouver and I.B.E.W. Local 213 with respect to the terms and conditions of an apprenticeship program.

Preamble:

1. The Employer and the Union recognize the value of training to both the apprentice and the organization and therefore agree to the establishment of an apprenticeship program.
2. It is agreed and understood that apprenticeship positions will be determined at the sole discretion of the Employer and nothing in this agreement shall obligate the Employer to hire apprentices.
3. Apprentices will be indentured under the provisions and regulations of the Industry Training and Apprenticeship Act.
4. The Supplemental Unemployment Benefit Plan (SUB Plan) referred to in Clause 5 is to supplement the EI income benefits received by apprentices for temporary unemployment caused by apprenticeship technical training.
5. This Letter of Understanding shall supersede the provisions of the Collective Agreement in the event of inconsistency.

Terms and Conditions:

1. All notices of opportunities for apprenticeship positions will be distributed through the Employer posting system and posted for a minimum of 7 calendar days.

SCHEDULE "C" (cont'd)

Page 2

2. A six (6) month probationary period will be served during the first term of the apprenticeship. Upon successful completion of the probation period, an apprentice shall be credited with six (6) months of apprenticeship service.
3. Apprentices shall be paid the rates of pay set out in Schedule "A" of the collective agreement for the level attained under their contract of apprenticeship.
4. Apprentices who have served time as an apprentice with a former Employer will be placed at a level consistent with their practical experience and theoretical knowledge (school credit), subject to the approval of and consistent with the Industry Training and Apprenticeship Act.
5. Apprentices shall apply for employment insurance while attending approved apprentice technical training.
 - a. If approved by Human Resources Development Canada (HRDC) – Supplemental Unemployment Benefit (SUB) Plan, the Employer will top-up the employment insurance benefits up to the maximum allowable under the plan. This is currently 95% of the apprentice's regular weekly earnings.
 - b. SUB is payable for a period during which an employee is not in receipt of EI income benefits if the only reason for non-receipt is that the claimant is serving a two week waiting period.
 - c. This SUB benefit will be paid for each period of technical training. Currently, the Industry Training and Apprenticeship Act has set each period of technical training as 10 weeks.
 - d. The plan will be financed by the Employer's general revenues.
 - e. The Employer will keep a separate record of the SUB payments.
 - f. The Employer will inform the HRDC in writing of any changes to the plan within thirty (30) days of the effective date of change.
 - g. Employees do not have a right to SUB payments except for supplementation of EI income benefits for the unemployment period as specified in the plan.
 - h. Payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits will not be reduced or increased by payments received under the plan.
 - i. The Employer will not top-up any days that the apprentice is absent during the technical training assignment.
 - j. Apprentices must submit benefit statements to the Employer before the top-up will be paid. These statements should be provided to the Employer every two weeks.
 - k. Top-up payment shall not be made from the Employer for a repetition of a failed technical training assignment or exam.
6. After the probation period, an apprentice who has failed a technical training assignment shall be permitted to repeat the term only once, providing the Superintendent considers the apprentice's on the job performance adequate. In the event that the apprentice fails a second time or if the employee's Superintendent determines the apprentice's on the job performance is inadequate, the "apprenticeship" will be terminated immediately.

7. An apprentice who has obtained a Certificate of Qualification and a Certificate of Apprenticeship shall be assigned to the position of Journeyman in their respective trade. If no Journeyman's position is immediately open in the Electrical Branch, subject to the availability of work, the apprentice will be retained on staff in the branch for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in Schedule "A". After expiration of the said six (6) month period, the Employer shall have no obligation to continue the apprentice's employment. If the employment should end pursuant to this clause it will not be considered a layoff.
8. Where an apprentice is absent from work by reason of sickness or injury, the term of such apprentice's contract shall be extended accordingly, PROVIDED THAT such extension shall not exceed six (6) months in duration without the approval of the City Engineer.
9. Nothing in this agreement shall infringe upon or limit the Employer's right to hire, discharge or layoff employees.

Amendments and Duration:

1. It is understood and agreed that any matter not specifically referred to in this Letter of Understanding shall be governed by the terms and conditions of the Collective Agreement between the parties.
2. This Letter of Understanding shall commence upon signing by the parties and will remain in full force and effect subject to cancellation by either party on sixty (60) calendar days written notice. On agreement by both parties, this agreement may be cancelled earlier than sixty (60) calendar days.

In the event this Letter of Understanding is cancelled, the provisions contained herein will continue to apply to existing apprentices and their apprenticeship agreement, until the expiration of same.
