THIS AGREEMENT made as of 2007 January 01,

BETWEEN:

CITY OF VANCOUVER

(hereinafter called "the Employer")

OF THE FIRST PART

AND:

LOCAL 213, INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS

(hereinafter called "the Union")

OF THE SECOND PART

WHEREAS the Employer is an employer within the meaning of the Labour Relations Code of British Columbia;

AND WHEREAS the Union is the bargaining authority for the Electrical Inspectors I and II and the Electrical Technicians I, except those employees excluded under the terms of the Labour Relations Code;

THIS AGREEMENT shall comprise the wages and working conditions for the employees so certified.

1. **DEFINITIONS**

For the purposes of this Agreement the words "Department Head" shall mean the General Manager of Community Services with respect to the Electrical Inspectors, and the General Manager of Engineering Services with respect to the Electrical Technicians.

Wherever the singular or masculine is used in this Agreement the same shall be deemed to include the plural or the feminine wherever the context so requires.

2. **TERM OF THE AGREEMENT**

- (a) This Agreement shall be for a term of 5 years with effect from 2007 January 01 to 2011 December 31, both dates inclusive. It is understood and agreed between the Employer and the Union that the operation of Subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

- (b) This Agreement shall continue in full force and effect and neither party shall make any change or alter the terms of this Agreement until:
- (i) The Union can lawfully strike in accordance with the provisions of the Labour Relations Code; or
 - (ii) The Employer can lawfully lock out in accordance with the provisions of the Labour Relations Code; or
 - (iii) The parties have concluded a renewal or revision of this Agreement or have entered into a new collective agreement; whichever is the earliest.

3. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after June 6, 1975 shall apply to the Union to become members thereof by the pay period immediately following completion of 30 calendar days of employment. All present employees who are now members of the Union and those employees who subsequently become members of the Union shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues, in accordance with the Constitution of the International Brotherhood of Electrical Workers and the Bylaws of Local 213 of the International Brotherhood of Electrical Workers that all other members of the Union are required to pay to the Union, nor shall any employee be deprived of employment by reason of the refusal of the Union to admit such employee to membership in the Union.

All employees covered by the Union Certificate of Bargaining Authority shall pay to the Union an amount equal to the Union's dues, such payment to be made by payroll deduction. This deduction shall become effective on the first day of the month coincident with or next following the date of appointment, but the deduction shall be made only if the employee is still in the employ of the Employer on the final day of the first pay period in that month. Deductions shall be made in respect of all subsequent months provided an employee works for a sufficient portion of the month to be required by the terms of the Union's Constitution and By-laws to contribute dues for that month. These arrangements shall remain in effect for so long as this Union remains the recognized bargaining authority.

4. REMUNERATION

4.1 Salary Schedule

The scale of remuneration set out in Schedule "A" shall apply during the term of this Agreement.

4.2 Pay for Acting in a Senior Capacity

On every occasion that an employee is temporarily required to accept the responsibilities and carry out the duties incident to a position covered by this Agreement which is senior to the position the employee normally holds, such employee shall be paid for every day where the duties of the senior position are carried out at the minimum rate in the scale for such senior position, except where the salary received in the regular position is equal to, or exceeds, the minimum of the senior position, in which case the employee shall receive the next higher rate in the pay range of the senior position.

Appointments of employees to a level of higher responsibility must be authorized in writing by the Head of the Department.

4.3 Commencement Date for Pay Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, re-evaluations and promotions (but not for acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of pay adjustment. If an employee desires to delay the payment of any of the gratuity, the employee shall notify the General Manager of Human Resources to that effect prior to the last day of work for the Employer. The delayed amount shall be paid in a single sum, plus interest, for the period of the delay at a rate to be determined from time to time by the Director of Finance.

- (7) The Union agrees that the employee share of the Unemployment Insurance Rebate shall be paid to the Employer to partially offset the cost of the gratuity plan.

C. WorkSafeBC

- (1) Where an employee suffers from a disease or illness or incurs personal injury (which disease, illness or injury is hereinafter called "the disability") and is entitled to compensation therefor under the Workers' Compensation Act, the employee shall not be entitled to use sick leave credits for time lost by reason of any such disability.
- (2) All monies received by an employee by way of compensation for loss of wages under the said Act shall be paid to the Employer in return for which the Employer shall pay the employee the approximate net salary to which the employee would have otherwise been entitled but for a disability suffered or incurred by the employee, subject to Clause 7.5C(3).
- (3) Salaried employees under WorkSafeBC Allowance will be paid their approximate net salary for a maximum of one (1) year plus the equivalent of the accumulated sick leave credit. The sick leave credit would be charged with the time in excess of one (1) year and the Employer would receive the WorkSafeBC cheque for the full period.

In exceptional circumstances the employee's Manager may approve additional leave.

In order to comply with the requirements regarding eligibility for EI Rebates, only those employees who have more than twelve (12) days' sick leave credits are entitled to use sick leave for family illness as outlined herein.

7.6 Savings Plan

An employee who is participating in the Vancouver Employee Savings Plan (VESP) may elect, on a one-time irrevocable basis only, to stop participating in the Plan. Where an employee elects to opt out of VESP permanently, the Employer will stop deducting the employee's contribution from the employee's pay cheque and will add the Employer's contribution to the employee's bi-weekly pay as a separate payment in lieu of VESP. This payment in lieu shall not affect the employee's regular hourly rate nor will it be included as a pensionable payment.

7.7 Compassionate Leave

- (a) In the event of the death of an employee's spouse (including common-law spouse and same sex partner), child, ward, foster child, brother, sister, parent, parent-in-law, grandparent, grandchild, guardian, or other relative if living in the employee's household, the employee shall be granted a period of leave not to exceed three (3) working days without loss of pay. For purposes of Compassionate Leave, employees in same sex relationships as defined under Clause 7.3 shall be entitled to the provisions of this clause.
- (b) Any employee who qualifies for compassionate leave without loss of pay under paragraph (a), and who is required to travel in connection with the funeral to a point outside the Lower Mainland of British Columbia (defined as the area included within the Greater Vancouver Regional District, Fraser Valley Regional District, Squamish-Lillooet Regional District and Sunshine Coast Regional District) may be granted additional leave without loss of pay for a further period of two (2) working days.

- (d) An employee who qualifies for compassionate leave without loss of pay under paragraph (a) herein may be granted such leave when on annual vacation if approved by the employee's Department Head. An employee who is absent on sick leave with or without pay or who is absent on WorkSafeBC, shall not be entitled to such emergency leave without loss of pay.
- (e) Upon application to, and upon receiving the permission of the Department Head, an employee may be granted leave of up to one-half ($\frac{1}{2}$) day without loss of pay in order to attend a funeral as a pallbearer or a mourner in any case other than one covered by paragraph (a).

7.8 Pension 'Buy-Back' Provision

Where an employee has, prior to retirement, paid the full cost of extending their pensionable service by purchasing time served by the employee in a probationary capacity with the Employer which has not heretofore been considered as pensionable service, the Employer shall, upon the employee's retirement, reimburse the employee for one-half ($\frac{1}{2}$) of the costs previously paid by the employee provided the employee has reached the minimum retirement age. This provision is subject to the provisions of the Municipal Pension Plan and the maximum period of time that the Employer will cost share with the employee is twelve (12) months.

7.9 Supplementary Employment Insurance Benefits

- (a) Birth mothers who are entitled to maternity leave and who have applied for and are in receipt of Employment Insurance benefits are eligible to receive SEIB Plan payments.
- (b) Subject to the approval of the Employment Insurance Commission, birth fathers who, due to the death or total disability of the birth mother, have applied for and are in receipt of Employment Insurance maternity benefits are eligible to receive SEIB Plan payments.
- (c) The SEIB Plan is intended to supplement the Employment Insurance benefits received by employees while they are temporarily unable to work as a result of giving birth.
- (d) The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and ninety-five percent (95%) of their gross weekly earnings and is paid as follows:
 - (1) for the first six (6) weeks, which includes the two week Employment Insurance waiting period; and
 - (2) up to an additional eleven (11) weeks will be payable if an employee continues to receive Employment Insurance benefits and is unable to work due to a valid health reason related to the birth and provides the Employer with satisfactory medical evidence.

- (e) The Plan meets the requirements of Section 38 of the Employment Insurance Regulations, specifically that, when combined with an employee's weekly Employment Insurance benefit, the payment will not exceed the claimant's normal weekly earnings from employment and an employee's accumulated leave credits will not be reduced.
- (f) Income tax rules or regulations may require a payback of Employment Insurance earnings, depending upon the tax rules in effect at the time an employee is receiving benefits. Under the SEIB Plan, the Employer does not guarantee any specific level of earnings but rather are liable only for the payment of the benefit as described above. The Employer, under no circumstance, will be responsible for any paybacks arising from changes to or the application of the tax regulations.

8. WORKING CONDITIONS

8.1 A. Standard Hours of Work

- (1) The standard hours of work of employees shall be seven (7) continuous hours of work occurring between the hours of 8:00 a.m. and 6:00 p.m. The standard work week shall consist of five (5) consecutive working days, Monday through Friday inclusive. The standard hours of work are exclusive of a one (1) hour unpaid lunch break and inclusive of two (2) ten (10) minute paid rest periods.
- (2) The standard hours of work of employees shall normally be scheduled between 8:00 a.m. and 4:00 p.m.
- (3) The General Manager of each business unit (or exempt designate) shall determine the start time for an employee's standard hours, within the 8:00 a.m. to 6:00 p.m., Monday to Friday period.
- (4) Effective 2008 January 01, the standard hours of work of employees in the classification of Electrical Technician I shall be seven (7) continuous hours of work occurring between the hours of 7:00 a.m. and 6:00 p.m. The standard work week shall consist of five (5) consecutive working days, Monday through Friday inclusive. The standard hours of work are exclusive of a one-half ($\frac{1}{2}$) hour unpaid lunch break and inclusive of two (2) ten (10) minute paid rest periods.

B. Non-Standard Hours of Work

- (1) The Employer and the Union recognize that there are a number of positions, classifications and sections (including six (6) and seven (7) day week operations) which may require work on Saturday and/or Sunday, afternoon, evening or rotating shift schedules, or flexible work schedules. In Departments requiring a six or seven day operation, the standard work week may be any five (5) days with two (2) consecutive days of rest except when required to change work weeks. Where there

is a change in work weeks the Employer will ensure that the employee will receive the appropriate number of days off over the course of the shift change(s).

The standard hours of work of employees shall be seven (7) continuous hours of work exclusive of a one (1) hour unpaid lunch break and inclusive of two (2) ten (10) minute paid rest periods.

- (2) The General Manager of each business unit (or exempt designate) may vary the employee's start time by one-half hour prior to and after the previously agreed upon shift times.

Notwithstanding the above, where a range of hours has been established for an operation, the General Manager (or exempt designate) may vary the start and stop times of an employee's shift within the range of hours of the operation.

C. Changes to Hours of Work

- (1) Where the General Manager (or exempt designate) adjusts an employee's start time pursuant to Clause 8.1A or B above, and such changes are for five (5) shifts or less, the employee shall be given forty-eight (48) hours' notice of such change. Where the adjustments are on an ongoing basis or in excess of five (5) shifts, the employee shall be given ten (10) calendar days' notice.
- (2) Where the General Manager (or exempt designate) intends to alter an existing employee's hours of work beyond those permitted in A or B above (including amending an employee's hours to include Saturday and/or Sunday, afternoon, evening or rotating shift schedules or flexible work schedules), then the Employer shall proceed under the Letter of Understanding on Process to Change Hours of Work attached to the Collective Agreement.
- (3) Changes to an employee's hours of work made pursuant to this provision may be implemented earlier with the consent of the employee.

D. New or Vacant Positions

For new or vacant positions, the Employer shall be able to determine the start and stop times, days of the week and shift configurations based on bona fide business reasons, provided they are established on an alternate work schedule such as EDO, a nine day fortnight, a four day week or a flexible scheduling system. In addition, the Employer agrees that split shifts shall not be used and that any variations in initial start times and days of the week shall be included in the job posting prior to the position being filled. Upon filling the position on a regular basis, the remaining sections of Clause 8.1 shall apply.

Where the Employer intends to establish new positions on or convert existing vacant positions to non-standard hours, the Employer further agrees that:

- (a) the Union will be provided with up to fifteen days (15) days prior notice of the proposed hours of work for the positions so as to afford the Union reasonable opportunity to consider them and make representations with respect to the proposed non-standard hours;
- (b) any applicable premiums currently provided for in the Collective Agreement will be reviewed at that time.

Notwithstanding the above, the Employer agrees not to use this provision to revert positions from the EDO back to a five day week. The Employer further agrees that the Hours of Work Umpire is not bound to accept an Employer argument that the hours of work of existing employees should be altered simply because one or more new or vacant positions have been established on a non standard basis.

E. Earned Days Off (EDO)

The provisions of EDO shall be found in Schedule "C" which is attached to and forms part of this Collective Agreement.

8.2 Filling Vacancies

- (a) The Employer agrees that, before permanently filling any vacancy, notice of such vacancy shall be posted for 7 days in such conspicuous places as may be designated by Council.
- (b) The procedure in Clause 8.2(a) shall apply for temporary positions which are expected to exceed 6 months duration. Should a Regular Full-Time Employee be appointed to such a vacancy, the employee shall, when the temporary work is completed, return to the former position without loss of seniority.
- (c) Positions not previously posted and filled by temporary employees will be examined at the end of 6 months to ascertain whether permanency is indicated in which case the position will be posted in the usual way.

8.3 Promotions, Transfers and Demotions

- (a) In making promotions, transfers and demotions, the skills, knowledge and ability of the employee concerned shall be the primary consideration, and where such qualifications are equal, length of service shall be the determining factor. The Department Head shall be the judge of the skill, knowledge and efficiency of every employee.
- (b) On promotion or transfer to a new position, an employee shall serve a 6 month trial period in the new position before being confirmed in the appointment. If the appointment is not confirmed, the employee shall revert to the employee's previous position or to a position of equal value for which the Employer deems the employee to be qualified.

8.4 Probationary Period

- (a) New employees shall be placed in a probationary capacity until the completion of 1 year of service. Where a probationary employee is absent for ten (10) or more working days during the probationary period, the probationary period shall be extended by the total number of working days absent.
- (b) The probationary period shall be for the purpose of determining a person's suitability for permanent employment. At any time during that period, the employment of a probationary employee may be terminated if it can be satisfactorily shown that the employee is unsuitable for permanent employment.
- (c) A probationary employee's suitability for regular employment will be decided on the basis of factors such as:
 - (i) the quality of the employee's work
 - (ii) the employee's conduct
 - (iii) the employee's capacity to work harmoniously with others
 - (iv) the employee's ability to meet production standards set by the Employer.
- (d) If a probationary employee continues in the same position on a permanent basis, seniority, holiday benefits and other perquisites referable to length of service shall be based on the original date of employment.

8.5 Layoff

No employee covered by this Agreement shall suffer loss of seniority due to enforced absence from employment resulting from compulsory layoff for a period not exceeding 6 months, or for any period of absence resulting from leave of absence officially granted, injury or sickness, PROVIDED, HOWEVER, that this provision shall not apply to any such employee who has voluntarily resigned or has been discharged for cause.

8.6 Changes Affecting the Agreement

The Employer agrees that any reports or recommendations to be made to Council dealing with matters covered by this Agreement will be communicated to the Union and the designated Shop Steward at such interval before they are dealt with by Council as to afford the Union reasonable opportunity to consider them and, if necessary, to make representations concerning them when they are dealt with by Council.

8.7 Personnel Records

Upon receiving permission from the Department Head or designate, an employee may review the contents of such employee's personnel file provided that such review is in the presence of a person authorized by the Department Head.

8.8 Temporary Full-Time Employees

- (a) A record shall be kept of all straight-time hours worked by or paid to a Temporary Full-Time Employee and such hours shall be accumulated provided the employee has not had a break in service of greater than one (1) year. Where a Temporary Full-Time Employee obtains a regular full-time position, such accumulated hours shall be included in calculating the employee's seniority upon successful completion of the probationary period. An employee who is re-employed after a break of greater than one (1) year shall lose all accumulated hours and shall be considered a new employee.
- (b) As Temporary Full-Time Employees do not have seniority, they are not covered by Clause 8.5 - Layoff.

9. ABSENCE FROM DUTY OF UNION OFFICIALS

- (a) The representatives of the Union who act for the Union in collective bargaining with the Employer shall be granted such leave of absence with pay as may be necessary to carry out their duties in this capacity, subject to the discretion of the Department Head.
- (b) The Employer agrees that any full-time officer of the Union who is on leave of absence for the purpose of performing duties as an officer of the Union shall not lose seniority in the services of the Employer and shall continue to accumulate seniority while performing such duties. Upon retirement from the duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which the employee's former position was allocated and for which the employee is qualified, if any position within such class is held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall be entitled to return to any other vacant position for which that employee is qualified.

10. GRIEVANCE PROCEDURE

10.1 Grievances

Any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application or operation of this Agreement, or any alleged violation thereof, including any question as to whether any matter is arbitrable, shall be dealt with without stoppage of work in the following manner:

- (a) The aggrieved person or the Shop Steward shall, in the first instance, give in writing full particulars of the grievance to the Department Head or designate through the employee's immediate supervisor.
- (b) If the alleged grievance is not settled by the Department Head or designate within 7 days, the matter shall be referred to the General Manager, Human

Resources who shall arrange for meetings with the Union within 10 days from the receipt of such request.

- (c) If the alleged grievance is not settled by the General Manager, Human Resources within 7 days to the satisfaction of the Union, then the Union may refer the matter to a Board of Arbitration for final and conclusive determination without stoppage of work.

10.2 Other Disputes

When a "dispute", as defined in the Labour Relations Code, arises between the parties, including any difference concerning the interpretation, application, operation or alleged violation of this Agreement which does not specifically involve an employee, the matter may be submitted in writing by the Union to the Department Head or designate or, alternatively, by the Employer to the Union, as the case may be. If a satisfactory settlement is not reached with the Department Head or designate and the Union within seven (7) working days such matter may be referred to the General Manager, Human Resources at step (b) of Section 10.1.

If a satisfactory settlement is not reached with the General Manager, Human Resources within seven (7) working days such matter may be referred to Arbitration under Section 10.1(c) and as provided for in Section 10.3.

10.3 Arbitration

A Board of Arbitration shall consist of 3 persons, one to be chosen by each party and the third, who shall be chairman, to be selected by the 2 so appointed. The representatives of the parties concerned must meet within 7 days of appointment and are allowed a further 5 days to agree upon a chairperson. If they are unable to agree upon or otherwise fail to appoint such third arbitrator, the provisions of the Industrial Relations Act shall apply. The decision of the Arbitration Board shall be final and binding on both parties. Each party shall bear the expenses of the arbitrator appointed by such party and shall pay ½ (one-half) the expenses of the chairperson.

10.4 Dismissal and Suspension

An employee who alleges wrongful dismissal, discipline or suspension by the Employer shall be entitled to have such grievance settled in accordance with the grievance procedure set forth in Clause 10. If the employee is found by a Board of Arbitration appointed under the provisions of Clause 10 to be dismissed, suspended or otherwise disciplined for other than proper cause, the Board of Arbitration may:

- (a) direct the Employer to reinstate the employee and pay to the employee a sum equal to wages lost by reason of dismissal, suspension or other discipline, or such lesser sum as in the opinion of the Board of Arbitration is fair and reasonable; or
- (b) make such order as it considers fair and reasonable having regard to the terms of this Agreement.

An employee who is reinstated by a Board of Arbitration shall be entitled to reinstatement without loss of seniority.

11. TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Employer introduces, or intends to introduce, a technological change, that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board constituted under paragraph 10.3 of this Agreement, by-passing all other steps in the grievance procedure.

The Arbitration Board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change, the Arbitration Board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
 - (i) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (ii) that the Employer will not proceed with the technological change for such period, not exceeding 90 days, as the Arbitration Board considers appropriate;
 - (iii) that the Employer reinstate any employee displaced by reason of the technological change;
 - (iv) that the Employer pay to that employee such compensation in respect of the displacement as the Arbitration Board considers reasonable.

The Employer will give to the Union in writing at least 90 days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

12. EMPLOYMENT EQUITY

The Employer and the Union agree with the concept of employment equity which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

13. STUDENT AND GRANT EMPLOYMENT

The Employer and the Union agree that the following provision shall only apply to those programs on which the parties agree. It is understood that the intent of the parties is to identify and agree on the programs to be covered as they arise in order to give force and effect to this provision.

The Collective Agreement posting, filling vacancies and selection process provisions shall not apply to these temporary employment opportunities.
- (b) Where grant applications require the approval of the Union, such approval will not be unreasonably withheld.
- (c) Post-Secondary Co-Op students will be paid at the rate of pay established by the educational institute. Where the educational institute does not establish a rate of pay, the student shall be paid no less than seventy-five percent (75%) of step one of the rate of pay for the classification they are nominally assigned to but in no case shall a Co-Op program student be paid less than step one of Pay Grade 13.
- (d) Students hired in accordance with student work placement programs under (a) above shall be paid no less than seventy-five percent (75%) of step one of the rate of pay for the classification they are nominally assigned to. In no case shall a student be paid less than step one of Pay Grade 9.
- (e) Grant Employees shall be paid the higher of the grant rate or step one of Pay Grade 9.
- (f) Employees covered by this Clause shall not be entitled to any benefits or paid time off provisions provided by the Collective Agreement. They shall receive four percent (4) vacation pay which shall be paid each pay day.
- (g) Employees covered by this Clause shall not accumulate any seniority or length of service or be granted any credit for time worked if they obtain a regular position.
- (h) Employees covered by this Clause shall be covered by the Union Security and Check-Off provisions of the Collective Agreement.

- (i) This Clause does not apply to non-employment opportunities created for students such as Partners at Work.

SUPPLEMENTARY VACATIONS: EXPLANATION OF THE TABLE

In the table the figure to the left of the oblique stroke shows the number of working days* of regular annual vacation.

The figure to the right of the oblique stroke shows the number of working days of supplementary vacation, and appears in the calendar year in which they are credited to an employee. Example:

An employee hired in 1997 is in their (11th) calendar year during 2007. The employee in 2007 will be credited with 5 supplementary working days which may be taken at any time between 2007 and 2011, both years included. In 2012 the employee will be credited with a further 5 supplementary working days, etc.

*The working day entitlement is based upon a five-day work week.

SCHEDULE "C"

This is the Schedule referred to
in Section 8.1E of this Agreement

EARNED DAYS OFF (EDO)

Effective 2005 January 01, the Employer and the Union agree to implement a system of Earned Days Off (EDO) as follows:

1. The EDO system shall apply to all Regular Full-Time Employees, and Temporary Full-Time Employees who have worked and continue to work in a full-time capacity continuously in excess of six (6) months, and are not otherwise maintained on some alternate form of compressed work week.
2. Employees shall work an additional thirty (30) minutes per day at straight-time rates resulting in a 7-hour 30 minute day (7.50 hours).
3. Breaks will consist of a one (1) hour unpaid lunch break (effective 2008 January 01, for employees in the classification of Electrical Technician I, one-half (½) hour) with two (2) ten minute paid rest breaks, one occurring in the first half and one in the second half of the shift.
4. The additional time worked (30 minutes/day) results in fifteen (15) paid days off over the course of a year and an additional three (3) days which will be scheduled in conjunction with Christmas and Boxing Day to provide a shut down for most employees between Christmas and New Years. For those employees who are required to work the period between Christmas and New Years, the three (3) additional EDO days may be scheduled during the current year at the discretion of the employee upon providing a minimum of forty-eight (48) hours notice to their General Manager (or exempt designate).

Employees required to work between Christmas and New Years shall be notified no later than December 1st of such requirement. Where such notice has not been given and it is not possible to reschedule the time off prior to the end of the year, such days shall be paid out unless some alternate arrangements can be made between the employee and their General Manager (or exempt designate).

5. The balance of the EDO days may be scheduled by the General Manager in a manner that attempts to create a balance between the work and the lifestyle interests of employees and the operational and customer service requirements of the Employer. In some situations this may result in pre-scheduled days off (not necessarily Monday or Friday) that provide employees a consistent day off approximately every three weeks on which they can normally rely. In other situations this may result in scheduled days off at times that are mutually acceptable to the employee and their General Manager (or exempt designate) and in some situations this may result in employees being held accountable for scheduling their own time off in a manner that ensures for an appropriate balance.

SCHEDULE "C" (cont'd)

Page 2

6. If an employee is required by the Employer to work on a pre-scheduled or mutually agreed upon EDO day off, the employee may reschedule the day off to any time within the following four (4) month period providing they provide forty-eight (48) hours' notice.
7. Notwithstanding items 4, 5 and 6 above, EDO days cannot be banked, must be taken prior to year end and will not be paid out unless, for reasons completely beyond the control of the employee, the employee has been unable to reschedule, prior to the end of the year, an EDO day previously cancelled by the Employer.
8. For the purpose of applying overtime, the "standard hours of work" shall be considered to be 7.52 hours.
9. An employee's annual vacation entitlement shall be converted to "working hours" based on a 7-hour day and credited to the employee. For example, an employee with 3 weeks' vacation shall be entitled to 105 hours of vacation time. Debiting for vacation taken shall be on the basis of 7.52 hours per day (see Appendix "1" of Schedule "C").
10. Similarly, an employee's sick leave and gratuity credits shall be converted to "working hours" and shall be credited and debited in the same manner as vacation.
11. Employees who are required to provide coverage for and to perform the work of another employee or employees on a EDO day shall not be entitled to acting senior capacity pay, extra pay grades, or to have such extra work considered when making application for a reclassification.
12. Nothing in this Schedule "C" shall limit the Employer's ability to schedule standard hours of work as described in Section 8.1.A of the Collective Agreement and to schedule non-standard hours of work as described in Section 8.1.B of the Collective Agreement.

This is Appendix "1" of Schedule "C" referred to in paragraph 9.

APPENDIX "1" OF SCHEDULE "C"

Calculation Of Working Hours Per Day For The Earned Days Off System

In accordance with the method of calculation which has been previously agreed upon between the Employer and the Union for calculating the length of the work day and benefit entitlements under various forms of the compressed work week, the Employer and the Union agree that the following calculations shall govern the Earned Days Off System (EDO). The principles being that:

1. the basic annual paid working hours less basic annual public holiday hours less annual paid rest periods are to remain the same under the EDO system as they were under a standard 5 day work week system, and
2. there shall be no additional salary or benefit cost to the Employer associated with implementing EDO schedules beneficial to the employees and there shall be no loss in the salaries or earned benefit hours received by the employees.

Outlined below are calculations for a seven (7) hour per day EDO system.

	1826.25	Working Hours per Year (Existing 5 Day work week schedule)
less	<u>77.00</u>	Public Holiday Hours (7 hours x 11 Public Holidays)
	1749.25	Total Working Hours per Year
less	<u>6.00</u>	Lost Compensation for 2 – 10 Minute Rest Periods x 18 EDO Days
	1743.25	Total Actual Paid Working Hours per Year

Total Average Working Days per Year on EDO = 260.89 – 11 (Public Holidays) – 18 (EDO Days) = 231.89 Days

Note: Average Working Days per Year is adjusted for the leap year cycle

$$\begin{aligned}
 \text{Length of EDO Work Day} &= \frac{\text{Total Actual Paid Working Hours per Year}}{\text{Total Average Working Days per Year on EDO}} \\
 &= \frac{1743.25}{231.89} \\
 &= 7.52 \text{ Hours per Day} \\
 &= 7 \text{ Hours } 31 \text{ Minutes}
 \end{aligned}$$

Notwithstanding the above calculation, the Employer and the Union have agreed that the length of the work day shall be 7 Hours and 30 Minutes (7.50 Hours per Day) for the days that an employee actually works. This provides an additional benefit to the employees.

VACATION ENTITLEMENT CONVERSIONS

<u>5 Day Week Schedule</u>	<u>Conversion</u>	<u>EDO Schedule</u>
10 days (10 x 7 hrs per day = 70 hrs)	70/7.52 hrs per day	9.31 days (9.31 x 7.52 = 70 hrs)
15 days (15 x 7 hrs per day = 105 hrs)	105/7.52 hrs per day	13.96 days (13.96 x 7.52 = 105 hrs)
20 days (20 x 7 hrs per day = 140 hrs)	140/7.52 hrs per day	18.62 days (18.62 x 7.52 = 140 hrs)
25 days (25 x 7 hrs per day = 175 hrs)	175/7.52 hrs per day	23.27 days (23.27 x 7.52 = 175 hrs)
30 days (30 x 7 hrs per day = 210 hrs)	210/7.52 hrs per day	27.93 days (27.93 x 7.52 = 210 hrs)

RE: PROCESS TO CHANGE HOURS OF WORK

Where the Employer wishes to change the hours of work (which includes work week), of an employee or a position, in a manner not already provided for within the terms of the Collective Agreement or as otherwise agreed by the parties, the following shall apply:

A. Informal adjustment of hours by mutual consent

A supervisor and an employee may, by mutual consent, at the written request of either party, agree to vary the employee's hours of work, for such fixed period as the parties may agree or in the absence of such fixed period, for as long as both parties continue to consent. Such variation in the hours of work shall not establish a precedent. Employees will not be eligible for additional premiums provided for in the Collective Agreement for working outside normal hours if the change is initiated by the employee. If any informal arrangements extend beyond six (6) months, the Union will be notified and if the Union objects the informal arrangement will be discontinued.

B. Formal change to hours of work

1. The Employer shall provide the Union with no less than thirty (30) calendar days' written notice of the intended change, the names of the position(s) and incumbent(s) impacted, the reason(s) for the change and duration, and provide an opportunity to meet within the thirty (30) days of the Union receiving the written notification in order to discuss the proposed change(s).
2. The Union shall provide a written response within thirty (30) calendar days of the meeting which shall include primary reasons for withholding their consent.
3. The Union shall not unreasonably withhold consent to the altered hours of work proposal.
4. Where there is no mutual agreement, the matter may be referred within twenty (20) calendar days of receiving the Union's response to an Hours of Work Umpire

LETTER OF UNDERSTANDING

who shall convene a hearing for a final and binding decision at any time, but no later than twenty (20) calendar days from the date the Employer referred the matter to the Umpire. No change to the hours of work shall be implemented until such time as the Umpire has reached a decision and notified both parties in writing. It shall be the Employer's responsibility for establishing the rationale for the change in hours of work.

5. The cost of the Umpire shall be borne by the Employer. Where it is necessary to pay for accommodation, the cost shall be borne equally by the Employer and the Union.
6. The Hours of Work Umpire shall evaluate whether the Union has been unreasonable in denying the Employer's request after considering the Employer's rationale for the proposal, the impact on the personal and family needs of any affected incumbent(s), and the Union's rationale for denying the request.
7. Decisions of the Umpire shall not be precedent setting and shall be made within fourteen (14) calendar days of the matter being heard.
8. The Hours of Work Umpire shall be selected from the following list on a rotating basis. Should an Umpire not be available or indicate they will not be able to meet the time limit, the next name on the list shall be selected.

David McPhillips	Colin Taylor	Judi Korbin
Ken Albertini	Barbara Bluman	Stephen Kelleher
9. Employees who are affected by an hours of work change under this Letter of Understanding shall be offered the amended work shifts on the basis of seniority (high to low) provided they are qualified to perform the work. In the event there are insufficient employees who agree to accept the work shifts, the Employer shall assign the work in reverse order of seniority (low to high) to employees qualified to perform the work.
10. The process established in "B" of this Letter shall be used to revert to the hours of work previously in effect or to make further adjustments to the hours.
11. The Employer and the Union agree that procedures under this Letter of Understanding do not relate to a "difference" within the meaning of Section 104(1) of the Labour Relations Code.
