THIS AGREEMENT

BETWEEN:

**CITY OF VANCOUVER**  
(hereinafter called the "Employer")

OF THE FIRST PART

AND:

**VANCOUVER FIREFIGHTERS' UNION, LOCAL NO. 18**  
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the City of Vancouver is an Employer within the meaning of the Labour Relations Code, being Chapter 244 of the Revised Statutes of British Columbia, 1996;

AND WHEREAS the Union is certified to bargain on behalf of all employees of the Fire Department at Vancouver, British Columbia, except those excluded by the Labour Relations Code, and

- (a) the Fire Chief, Deputy Fire Chief and Assistant Fire Chiefs;
- (b) clerical workers and other office staff;

AND WHEREAS as a result of collective bargaining the parties hereto have concluded the Collective Agreement hereinafter appearing:

1. This Agreement shall constitute the wages and working conditions for the employees in respect of whom the Union is so certified. The word "Department" when used in this Agreement means the Fire Department of the City of Vancouver.

2. **TERM OF AGREEMENT**

This Agreement shall be for a term of thirty-nine (39) months with effect from 2007 January 01 to 2010 March 31, both dates inclusive.

The operation of Subsections 50(2) and (3) of the Labour Relations Code shall be specifically excluded from and shall not apply to this Collective Agreement.

3. **UNION SECURITY**

All employees covered by the Union Certificate of Bargaining Authority shall pay a monthly fee to the Union equal to the Union's monthly dues, such payment to be made by payroll deduction, provided membership in the Union remains on a voluntary basis and is not a condition of employment. This deduction shall become effective on the first day of the month coincident with or next following the date of appointment, but the

deduction shall be made only if the employee is still in the employ of the Employer on the final day of the first pay period in that month. Deductions shall be made in respect of all subsequent months provided an employee works any part of the month. These arrangements shall remain in effect for so long as this Union remains the recognized bargaining authority.

4. REMUNERATION

4.1 Pay Schedule

The scale of remuneration set out in Schedule "A" to this Agreement shall apply during the currency of this Agreement.

5. HOURS OF WORK

The hours of duty for employees covered by this Agreement are as follows:

- (c) The Fire Prevention Inspectors, Fire Prevention Officers, Training Officers and Division Chief Logistics and Safety shall work a four-day 35 hour week, and shall be subject to the provisions of Clause 5(d).
- (d)
  - (i) The daily hours of those employees required to work a four-day 35 hour week shall be 9¼ (nine and one-quarter) inclusive of a 30 minute lunch break.
  - (ii) The daily hours of those employees required to work a four-day 40 hour week shall be 10 inclusive of a 30 minute lunch break.
  - (iii) Other working conditions and fringe benefits shall remain unchanged for those employees required to work a four-day week except as specifically amended by this Clause 5(d).
  - (iv) Each employee required to work a four-day week shall be credited with 7 hours in the case of a 35 hour week and 8 hours in the case of a 40 hour week in his/her overtime account with respect to each public holiday which falls on or is observed on one of the employee's scheduled days off.
  - (v) Each employee required to work a four-day week, shall be debited with 1¾ (one and three-quarter) hours in the case of a 35 hour week and 2 hours in the case of a 40 hour week with respect to each public holiday

which falls on or is observed on one of the employee's scheduled days of work.

- (vi) Nothing contained in this Agreement shall prevent the parties from mutually agreeing at any time to amend this schedule of hours.
- (vii) It is understood and agreed that, in the event of an emergency, the Fire Chief may require that for the duration of the emergency the employees of the following branches revert to the five-day work week consisting of 8 hours daily, inclusive of 1 (one) hour lunch break in the case of a 35 hour week and a 25 minute lunch break in the case of a 40 hour week.

Training Department  
 Building and Facilities Division  
 Mechanics Shop  
 Division Chief Logistics and Safety  
 Fire Prevention Division

For the purposes of this Clause 5(d)(vii), 'emergency' shall be defined as a state of civic emergency, provincial emergency, national emergency, or national catastrophe as declared by the Mayor, Premier or Prime Minister or their designates.

- (viii) An employee who is temporarily required to accept the responsibilities and carry out the duties of a senior position or rank because of the absence of the incumbent due to the four-day work week shall not be entitled to be paid at the rate for the senior position or rank.
- (ix) An employee who is required to accept the responsibilities and carry out the duties incident to a senior position or rank for reasons not due to the four-day work week shall retain as his/her days off those days assigned to him/her by operation of the four-day work week.
- (x) An employee of the Building and Facilities Division or the Machine Shop shall not be permitted time off in addition to those days assigned to him/her by operation of this Agreement except by permission of the Fire Chief.
- (xi) It is understood and agreed that at the end of each calendar year there will be a joint review of the personnel records of the employees who have worked a four-day work week pursuant to this Clause 5(d) to ensure that such employees have neither gained nor lost benefits under the Gratuity and Sick Leave Plans as a result of having worked a four-day work week in the Branch rather than a five-day work week. Any necessary adjustment to entitlement under the Sick Leave and Gratuity Plans shall be made to the nearest half day.

6. OVERTIME

- (a) Except for Fire Prevention Inspectors and Fire Prevention Officers, an employee who is required to work overtime of fifteen (15) minutes or more in excess of and immediately preceding or following the completion of the employee's regular shift shall be paid at 1½ (one and one-half) times the hourly rate of the employee computed on the basis of the employee's normal working hours.
- (b) In order to qualify as overtime under Clause 6(a) above, the requirement for an employee to work overtime preceding the employee's regular shift must be accompanied by twelve (12) hours' notice.
- (c) When computing the payment of overtime under this Clause 6, all time worked by an employee from the time the employee completes their regular shift until the employee has been relieved of further duties, shall be deemed to be overtime. Where an employee's duties require them to leave their regular place of work, the employee shall not be deemed to be relieved of their duties until they return to their place of work, e.g. the Fire Hall at which they are stationed.
- (d) A Fire Prevention Inspector or Fire Prevention Officer who is required to work overtime on night inspections, shall at the time of working such overtime elect whether to be paid for the overtime or receive compensating time off in lieu thereof. Overtime pay shall be calculated on the basis of time and one-half the standard rate of pay for each hour worked in excess of the hours of duty set out in Clause 5(c), and compensating time shall be calculated on an equivalent basis of 1½ (one and one-half) times each hour of overtime worked.

7. EXTRA SHIFTS

- (a) Where an employee agrees to work part shifts or full shifts in excess of their scheduled work week, the employee shall receive pay at the rate of 1½ (one and one-half) times the employee's regular hourly rate for such excess shifts with a minimum payment of 3 hours except that any period of work which immediately follows, or which immediately precedes the relieving employee's regular shift, will not be subject to any minimum period of compensation.
- (b) Where an employee who is not on duty agrees to report to work for an Extra Shift in order to replace (backfill) another employee who did not report for work as a result of being on leave, then the relieving employee shall be compensated in accordance with Clause 7(a) (Extra Shifts).
- (c) Notwithstanding (a) and (b) above, the Employer reserves the right to require an employee to work an Extra Shift pursuant to (a) or (b) above in order to respond to operational needs.

8. CALLOUT

- (a) Callout is defined as:
- (i) the mandatory emergency call back of off duty staff by the Fire Chief or designate to increase overall staffing levels due to the needs of the Department for the response to an emergency incident. Following the initial twenty-four (24) hours of the response, where the Fire Chief or designate determines that an incident requires a sustained increase in staffing for a temporary period of time that can be pre-scheduled, such additional shifts shall no longer be deemed callout and shall instead be compensated as in Clause 7 (Extra Shifts).
  - (ii) the call back of an off duty staff member(s) to replace an employee(s) who is on shift, but who becomes absent while on shift through illness or injury, where in the opinion of the Employer, call back is necessary.
- (b) An employee called out as defined in (a) above shall be paid at the rate of two (2) times their regular rate of pay, with a minimum of three (3) hours at the rate of double the employee's regular rate of pay. Where an employee is called out within two (2) hours of the start of their shift, then the three (3) hour minimum does not apply.
- (c) Where a callout results from an emergency incident as defined in (a)(i) above, payment for each callout shall be calculated from the time the callout is authorized by the Fire Chief or designate. Where the Fire Chief or designate authorizes more than one callout to one emergency incident, then in such instances, each callout shall be calculated separately. Where a callout results from a non-emergency, as defined in (a)(ii) above, payment shall be calculated for the entire period spent at the employee's place of work in response to the call.
- (d) Notwithstanding anything contained in Clause 8, an employee reporting for work on the call of the Employer on any of the public holidays described in Clause 11.2(b) other than the employee's regular working hours shall be paid at the rate of triple their regular rate of pay for all hours worked during the public holiday in response to the call, and double time thereafter, with a minimum of 3 hours at the rate of triple their regular rate of pay.
- (e) Notwithstanding anything contained in Clause 8, an employee reporting for work on the call of the Employer for the purpose of attending a meeting of an administrative nature shall be paid at the rate of 1½ (one and one-half) times the employee's regular rate of pay for the entire period spent attending such meeting in response to the call, with a minimum of 3 hours at the rate of 1½ (one and one-half) times the regular hourly rate subject to the following conditions:
- (i) at least 7 days' notice of the meeting date shall be provided;

- (ii) in the event a scheduled meeting date is postponed, at least 7 days' notice of the new meeting date shall be provided;
- (iii) the Employer will be required to schedule the meetings by canvassing each employee concerned in advance in order to identify and thereby to attempt to avoid those off duty days which would be unduly inconvenient to the employee;
- (iv) each employee involved in any such scheduling effort will be expected to cooperate fully in the effort, but will not be subject to discipline for failure to agree to meet on any day when the employee has a prior commitment of a personal nature;
- (v) nothing contained in this Clause 8 shall be construed so as to interfere with the right of the Employer to require an employee to report for work pursuant to Clause 8 for the purpose of attending a meeting of an administrative nature or of any other kind, in which case neither the rate of 1½ (one and one-half) times the regular hourly rate nor any of the conditions set out in paragraphs (i) to (iv) inclusive of this Clause 8 shall apply.

## 9. ACTING IN A SENIOR CAPACITY

### 9.1 Pay and Compensation

An employee who is required to accept the responsibilities and carry out the duties incident to a position or rank senior to that which the employee normally holds shall be paid at the rate for the senior position or rank while so acting and, if injured while on duty in such position or rank, shall be compensated for the injury at the rate for the senior position or rank.

### 9.2 Vacation Entitlement

Where an employee acts in a position or rank senior to that which the employee normally holds, the Employer shall compute and pay on a bi-weekly basis to the employee an additional amount of salary representing annual and long service vacation. The additional amount will be based on the percentage difference between the vacation pay at his/her confirmed position or rank and vacation pay for the acting position or rank. If any further reconciliation of the owed amount is required, this will occur as soon as possible following their permanent promotion.

### 9.3 Criteria

Where the position(s) of Fire Prevention Captains are to be filled by an employee in an acting capacity, the established practice of the parties shall pertain. - (ii) any Group I employees who leave the service on superannuation or upon reaching maximum retirement age shall receive time equivalent to 1 duty shift in lieu of each of the 11 public holidays set forth in Clause 11.2(b) which occur during their period of service in the calendar year in which they retire and in addition thereto such Group I employees shall receive time equivalent to 1 duty shift in lieu of any other public holiday declared by the City of Vancouver, the Government of the Province of British Columbia and the Government of Canada to which employees

covered by this Agreement are entitled and which occur during their period of service in the calendar year in which they retire.

- (b) Subject to Clause 11.2(c), Group II employees shall be entitled to a holiday with pay on the following public holidays, namely: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, British Columbia Day, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day or any other day declared to be a public holiday by the City of Vancouver, the Government of the Province of British Columbia or the Government of Canada,

PROVIDED THAT:

- (i) whenever one of the aforementioned public holidays falls on a Saturday or a Sunday and the Government of Canada and the Government of the Province of British Columbia or either of them proclaim that such public holiday be observed on a day other than Saturday or Sunday, then the day so proclaimed shall be read in substitution for such public holiday; but if there is no such proclamation by either of such governments or the proclamation of such governments does not proclaim the same day for the observance of such public holiday, then the Employer shall designate either the Friday immediately preceding such public holiday or the Monday immediately following the same as the day to observe such public holiday and the employee shall be entitled to a holiday with pay in lieu of such public holiday on the day so designated or pay the employees in lieu of such public holiday at their respective regular rates of pay;

EXCEPT THAT:

whenever Christmas Day and Boxing Day fall on Saturday and Sunday respectively and the Government of Canada and the Government of the Province of British Columbia, or either of them, proclaim that such public holidays be observed on 2 days other than Saturday and Sunday, then the days so proclaimed shall be read in substitution for such public holidays; but if there is no such proclamation by either of such governments in respect of one of such public holidays, then the Employer shall designate either the Friday immediately preceding such public holiday or the Monday immediately following the same as the day to observe such public holiday and the employees shall be entitled to a holiday with pay in lieu of such public holidays on the day so designated, or pay the employees in lieu of such public holiday at their respective regular rates of pay;

if there is no such proclamation by either of such governments in respect of both of such public holidays, then the employees shall be entitled either to a holiday with pay in lieu of Christmas Day on the Friday immediately preceding Christmas Day and a holiday with pay in lieu of Boxing Day on the Monday immediately following Boxing Day, or pay in lieu of such public holidays, or either of them, at their respective regular rates of pay at the option of the Employer.

- (ii) Notwithstanding anything contained in this Clause 11.2(b) whenever one of the aforementioned public holidays, other than Christmas Day and Boxing Day, falls on a Saturday or Sunday, instead of having all the employees observe the public holiday on the same day, the Employer may declare both the Friday immediately preceding such public holiday and the Monday immediately following the same for the observance of such public holiday and such of the employees as shall be designated by the Employer in such declaration shall be entitled to a holiday with pay in lieu of such public holiday on the Friday named by the Employer and the remainder of the employees shall be entitled to a holiday with pay in lieu of such public holiday on the Monday named by the Employer.
- (c) If a Group II employee whose duties normally require the employee to work on public holidays, is required to work on any public holiday as provided for in Clause 11.2(b) which falls on or is observed on any day from Monday to Friday inclusive, then the employee shall be paid his/her regular pay for the holiday and in addition thereto he/she shall be given compensating time off equivalent to 1½ (one and one-half) times the number of hours worked on that public holiday. If such employee is required to work on the day off given to him/her in lieu of a public holiday pursuant to the provisions of this Clause 11.2(c), then in lieu of such holiday the employee shall be paid his/her regular pay for the holiday plus double the hourly rate of pay of the employee computed on the basis of his/her normal working hours for the hours worked on such day off. For the purposes of this Clause 11.2(c), a public holiday does not include a holiday declared by the Employer pursuant to Clause 11.2(b)(ii) unless the employee is entitled to that holiday with pay in lieu of a public holiday.
- (d) If a Group I employee whose duties normally require him/her to work on public holidays is required to work on any public holiday as provided for in Clause 11.2(b), which falls on or is observed on any day from Monday to Friday, inclusive, then in addition to the holiday to which he/she is entitled under Clause 11.2(a), the employee shall be paid at the rate of 50% of his/her regular rate of pay (calculated on an hourly basis) for each of the hours worked by him/her between the hours of 12:01 a.m. and 11:59 p.m. on such public holiday. For the purposes of this Clause 11.2(d), a public holiday does not include a holiday declared by the Employer pursuant to Clause 11.2(b)(ii) unless the employee is entitled to that holiday with pay in lieu of a public holiday.

### 11.3 Holders of Industrial First Aid Certificates

The amount of such contributions shall be determined by the Union.
- (2) The Employer will undertake the responsibility for calculating sick leave payments and shall bill the Union for the total amount owed, unless the Employer determines a more convenient way of making payments. In addition, the Employer reserves the right to require the Union to administer the sick leave payments under 12.3 B(1).

(2) Deduction

A deduction is made from the current year's gratuity credits for all hours absent on sick leave with pay, except that such deduction shall not exceed the number of hours equivalent to three (3) duty shifts in any one (1) calendar year, or for any one (1) illness. The total gratuity credited to each employee at December 31<sup>st</sup> of each calendar year will remain to such employee's credit regardless of time lost in any subsequent year through illness or any other reason.

(3) Gratuity – Option of Pay

- (a) An employee who has completed not less than three (3) years of continuous service with the Employer may elect prior to the end of any calendar year but subsequent to the completion of such service to be paid in cash for the gratuity shifts that an employee has accumulated up to and including the year in which such election was made.
- (b) The employee shall be paid therefor in the following calendar year at a time to be chosen by the employee, which payment shall be computed on the basis of the employee's regular rate of pay in effect in that year.
- (c) However, in the event an employee who receives any payment from the Employer pursuant to this Clause 12.3C leaves the service of the Employer prior to the completion of ten (10) years' service with the Employer, such employee shall reimburse the Employer for all payments so made by the Employer computed on the basis of the employee's regular rate of pay in effect at the date of the termination of the employee's employment.
- (d) An employee who has completed not less than three (3) years of continuous service and is eligible for gratuity leave may be granted leave up to the number of gratuity leave days the employee has accumulated PROVIDED HOWEVER THAT:
  - (i) the minimum gratuity leave which may be taken by an employee in any calendar year shall be four (4) days and the maximum gratuity leave shall be twenty (20) days. Subject to the discretion of the Fire Chief, only two (2) periods of gratuity leave may be taken by an employee in any calendar year;

If an employee desires to delay the payment of any of the gratuity, the employee shall notify the General Manager of Human Resources to that effect prior to the last day of work for the Employer. The delayed amount shall be paid in a single lump sum, plus interest, for the period of the delay at a rate to be determined from time to time by the Director of Finance.

D. Workers' Compensation and Sick Leave Payments

- (1) Where an employee suffers from a disease or illness or incurs personal injury (which disease, illness or injury is hereinafter called the "disability") and is entitled to time loss compensation therefor under the Workers' Compensation Act, the employee shall not be entitled to use sick leave credits for time lost by reason of any such disability.
- (2) All monies received by an employee by way of compensation for loss of wages under the said Act shall be paid to the Employer in return for which the Employer shall advance the employee their normal net take-home pay (as opposed to the employee's regular gross pay). Any permanent or partial disability payment from any claim(s) for which the employee is in receipt of, will not be included in this calculation.
- (3) In the event that an employee was acting in a higher capacity (pursuant to the provisions of Clause 9) at the time the injury was sustained, then "normal net take-home pay" shall be calculated based upon the rate in effect for the higher capacity rank. Similarly, in the event that an employee was scheduled to act in a higher capacity at any time during the period of the compensable absence, then for such period(s) that the employee was scheduled to so act, "normal net take-home pay" shall be retroactively calculated based upon the rate in effect for the higher capacity class or rank; additionally, in the event that an employee would normally have been scheduled to work on a Statutory Holiday occurring during the period of compensable absence, "normal net take-home pay" shall be retroactively calculated based upon the premium rate applicable pursuant to the provisions of Clause 11.2(d).
- (4) Where an employee is paid his wages by the Employer while he is absent from his employment by reason of any disability other than one for which he would be entitled to receive Workers' Compensation benefits, and the employee subsequently recovers such wages or any part thereof from any source, then the employee shall pay the amount so recovered to the Employer. Upon the Employer receiving such amount it shall credit the employee paying the same with the number of days of sick leave proportionate to the amount so recovered and in addition thereto the number of days which the employee would have earned during the period of the disability but for such disability under the Gratuity Plan.
- (5) Effective 2008 December 11, WorkSafeBC claims arising from secondary employment will be governed by the provisions of Schedule "B" of the Collective Agreement.

It is understood that this extension shall represent that period of time served by the employee in a probationary capacity as an employee of the Department and which has not heretofore been considered as pensionable service. This benefit shall be subject to the following conditions: only an employee with a vested interest in the Municipal Superannuation Plan and who has reached the minimum age of retirement as defined in the Pensions (Municipal) Act shall be eligible.

(ii) Employees who are not eligible for the benefit described in (b)(i) above, may make arrangements prior to 2007 April 01 to purchase the full amount associated with the buy-back of service and, upon the employee producing the receipt, the Employer agrees to reimburse the employee fifty percent (50%) of the purchase cost as stipulated by the Pension Corporation. This payment will be made in the year the employee reaches minimum retirement age.

## (c) Effective 2008 December 11:

The Employer and the Union agree that when an employee reaches an income level at any point during a calendar year of \$74,513 (using 2007 as the tax year, such figure to be adjusted annually based on changes in the Yearly Maximum Pensionable Earnings (YMPE) and the maximum pensionable contributions under CCRA rules), the Employer agrees not to make any further Special Agreement deductions from the employee's pay cheque and the Employer will no longer contribute for purposes of the Special Agreement for such employee. Employer contributions will be paid to the employee on their pay cheque and identified as Special Agreement over-contributions.

4. The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and ninety-five percent (95%) of their gross weekly earnings and is paid as follows:
  - (a) For the first six (6) weeks, which includes the two (2) week Employment Insurance waiting period; and
  - (b) Up to an additional eleven (11) weeks will be payable if an employee continues to receive Employment Insurance benefits and is unable to work due to a valid health reason related to the birth and provides the Employer with satisfactory medical evidence.

6. Income tax rules or regulations may require a payback of Employment Insurance earnings depending upon the tax rules in effect at the time an employee is receiving benefits. Under the SEIB Plan, the Employer does not guarantee any specific level of earnings but is liable only for the payment of the benefit as described above. The Employer, under no circumstance, will be responsible for any paybacks arising from changes to or the application of the tax regulations.

Where the employee elects not to have a Union representative(s) present, or a Union representative(s) is not available for the meeting within the three (3) hour notice period, the absence of a Union representative(s) shall not affect the Employer's right to discipline, suspend or dismiss. $$\frac{\text{Bi-weekly Rate}}{\text{Bi-weekly Hours}} = \text{hourly rate (rounded to 4 decimal places)}$$

26.089 is derived as follows:

365¼ days (average over 4 years allowing for leap year) divided by 14.

16. ABSENCE FROM DUTY OF UNION OFFICIALS

The Employer agrees that where it is necessary for members of the Bargaining Committee of the Union to leave their employment temporarily for the purpose of settling grievances as outlined in Clause 17, the said members shall suffer no loss of pay for the time so spent. It shall be forwarded to the Assistant General Manager/Deputy Fire Chief or excluded designate within twelve (12) calendar days of the matter being grieved.

The Assistant General Manager/Deputy Fire Chief or excluded designate and the Union shall meet within fourteen (14) calendar days of the receipt of the grievance in an attempt to resolve the grievance.

If the alleged grievance is not settled within eight (8) calendar days of the meeting with the Assistant General Manager/Deputy Fire Chief or excluded designate, the Union may direct the matter to the General Manager/Fire Chief or excluded designate within eight (8) calendar days thereafter.

The General Manager/Fire Chief or excluded designate and the Union shall meet within fourteen (14) calendar days of receipt of the grievance in an attempt to resolve the grievance.

If the alleged grievance is not settled within eight (8) calendar days of the meeting by the General Manager/Fire Chief or excluded designate, the Union may direct the matter to the City Manager or designate within eight (8) calendar days thereafter.

(c) Step 3

The City Manager or designate shall meet with the Union within twenty-eight (28) calendar days of receipt of such request.

Effective 2008 December 11, if no settlement is reached with the City Manager or designate within fourteen (14) calendar days of the meeting, then the Union may, within a further sixty (60) calendar days, refer the matter, to be finally and conclusively settled without stoppage of work, by submission to Arbitration.

(d) Any dispute (as defined in the Labour Relations Code) with respect to matters not covered by the terms of this Agreement shall, during the term of this Agreement, be the subject of collective bargaining between the Union and the Employer as represented by its City Manager or designate.

(e) Policy Grievance – General Application

Where a dispute arises between the parties including any difference concerning a question of general application or interpretation of the Agreement, which does not specifically involve an employee or a group of employees, the matter may be submitted in writing by the Union directly to Step 2 of the grievance

procedure. Policy grievances seek to declare the proper general application and interpretation of the Collective Agreement.

(f) Time Limits

If one of the parties is unable to meet the stipulated time frames then the other party may refer the matter to the next step. Time limits may, however, be extended at any of the steps in the grievance procedure by mutual agreement.

(g) Employer-Initiated Grievances

Employer-initiated individual or policy grievances shall have the same time limits and procedures as Union-initiated grievances.

(h) By-Passing Steps

Where both parties mutually agree Step 1 and/or Step 2 of the grievance procedure may be by-passed.

18. ARBITRATION PROCEDURE

A Board of Arbitration shall consist of one (1) person to be mutually appointed by the Employer and the Union unless either party indicates that they wish a three-person Board of Arbitration, which shall then consist of one (1) person appointed by each party and a chairperson to be mutually agreed by the two (2) appointees. Each party shall bear the expenses of the arbitrator appointed by such party and shall pay half the expenses of the chairperson. The decision of the Board shall be final and binding on both parties.

Where the parties are unable to agree on an arbitrator or a chairperson within fourteen (14) calendar days of the referral, either party may apply to the Director, Collective Agreement Arbitration Bureau within the following ninety (90) calendar days to make the appointment.

If there is no agreement on an arbitrator or chairperson and no referral to the Director, Collective Agreement Arbitration Bureau within the ninety (90) day time frame, the grievance shall be considered to be abandoned.

19. LAYOFF AND RECALL

Effective 2008 December 11:

(a) Layoffs

In the event of a reduction in the workforce, the Employer shall designate the position(s) to be eliminated and the incumbent employee(s) shall be laid off unless the employee is qualified (has the skill, knowledge and ability) to perform the work of another position with a familiarization period not to exceed thirty

(30) working days. The familiarization period will consist of on the job orientation and will not include training. Where a Group 2 employee is seeking to bump into a Group 1 position and is qualified as a Suppression firefighter the terms and conditions of the Return to Suppression Policy in effect at the time of the layoff will apply.

Where an employee is qualified to perform the work of another position as defined above and has greater seniority than the incumbent of such position they may bump as follows:

- (1) the employee may bump laterally (at the same pay level) into the position occupied by the employee with the least seniority;
- (2) the employee may bump downward (at a lower pay level) into the position occupied by the employee with the least seniority.

In the application of this article if a position to which an employee is qualified to bump into is occupied by a probationary employee the regular employee shall have the ability to bump the probationary employee. It is understood that where a probationary employee is removed from the workforce as a result of a layoff that this will occur by way of their administrative identification order established through a lottery system.

Where the regular employee is unable to bump, or elects not to bump, the employee shall be laid off. A regular employee who is bumped by another employee shall have the same rights to bump under this Article.

(b) Advance Notice of Layoff

Except in cases of strikes, lockouts or other circumstances beyond the control of the Employer, the Employer shall notify the incumbent(s) in the position(s) to be eliminated, who have acquired seniority rights, at least thirty (30) calendar days prior to the effective date of layoff. If the employee has not had the opportunity to work during the thirty (30) calendar days, the employee shall be paid for those days for which work was not made available.

(c) Recall

Employees shall be recalled to positions for which they are qualified (as defined above), in the order of their bargaining unit-wide seniority.

No new employees shall be hired following a layoff until those who were laid off have been given a reasonable opportunity of recall as follows:

The Employer shall make every reasonable attempt to contact employees in order of seniority, and employees shall be recalled in such order providing they are qualified to perform the available work and providing they respond within the stipulated time limits. Each employee on layoff will be responsible for keeping the Employer advised of a current address and telephone number where the employee can be contacted for Recall. If the Employer is unable to

contact the employee by telephone, notice of Recall shall be delivered by couriered letter to the employee's last address on file with the employer, with a copy faxed or e-mailed to the union, in which case the employee shall have 72 hours from the time of delivery of the notice of Recall to respond. The 72 hour time period shall not include time on weekends or Statutory Holidays. An employee shall report to work at the time specified by the Employer except where the employee is unable to report to work due to circumstances beyond the employee's control.

An employee who fails to respond to a notice of Recall shall be bypassed for the purposes of that specific Recall and shall retain their position on the Recall list.

An offer of employment to replace another employee who is absent shall not be considered a recall and shall not affect an employees recall rights or adjust the twelve (12) month seniority retention period.

(d) Re-Hire

A probationary employee who is removed from the workforce as a result of a reduction in the workforce will be placed on a re-hire list. Such placement will be for a period of one (1) year. Following the completion of the Recall procedure described above, no new employees shall be hired until employees on the re-hire list have been given a reasonable opportunity to return to the workforce. In the event employees from the re-hire list are returned to the workforce, they will be re-hired in reverse order of their removal from the workforce. Probationary employees who are returned to the workforce by way of the "rehire list" will be required to complete the remainder of their 1-year probationary period as outlined in Article 13.2 of Collective Agreement.

(e) Seniority

Laid off employees shall maintain but not accumulate seniority and shall not be entitled to or earn benefits while on layoff. However, laid off employees may continue participation in health and welfare benefits (MSP, EHB, Dental, Group Life, and Supplemental Group Life) while on the Recall List by paying the full monthly premiums in advance. An employee recalled within twelve (12) months shall be credited with their previous service for determining seniority and length of service for vacation entitlement, long service leave, and benefit waiting periods. An employee shall lose seniority and right of recall if continuously laid off for a period of more than twelve (12) consecutive months.

20. OCCUPATIONAL HEALTH PLAN

All employees covered by this Agreement are subject to the provisions of the Occupational Health Plan as agreed to by the Employer and the Union.

21. NOURISHMENT

The Department shall provide employees attending at major emergency incidents with nourishment.

22. PROVISION OF COLLECTIVE AGREEMENTS

The Employer shall contribute 50% of the cost, to a maximum of one thousand dollars (\$1000.00), towards the cost of printing the new Collective Agreement subject to the following conditions:

- (a) that the draft Agreement conforms in all aspects with the "TRUE" signed copies;
- (b) that the number of Collective Agreements to be printed will be sufficient to provide each member in the bargaining unit with 1 (one) copy, and an additional 25 copies for the Department's use and 25 copies for the Union's use.

The Department shall supply each new employee with a copy of the Collective Agreement prior to assignment to a fire hall.

23. SCHEDULES

It is understood and agreed between the Employer and the Union that Schedules "A" and "B" annexed hereto forms an integral part of this Agreement.

Wherever the singular or masculine is used in this Agreement the same shall be deemed to include the plural or the feminine wherever the context so requires.

IN WITNESS WHEREOF the Employer has caused these presents to be sealed with the Common Seal of the City of Vancouver and executed by the Mayor and City Clerk, and the Union has caused these presents to be executed under the hands of its proper officers duly authorized in that behalf.

LETTER OF UNDERSTANDING

between the

CITY OF VANCOUVER  
(the "City")

and the

VANCOUVER FIREFIGHTERS' UNION, IAFF 18  
(the "Union")

RE: SECONDARY EMPLOYERS

---

BACKGROUND:

- A. From time to time, employees of the City who are members of the Union (hereinafter referred to as the "employees") work for other employers that provide WorkSafeBC coverage ("Secondary Employers").
- B. The Collective Agreement between the Parties does not directly address how the Sick Leave and Gratuity Plan provisions apply where an employee is in receipt of WorkSafeBC wage loss payments as a result of an injury or illness suffered by the employee while working for a Secondary Employer.
- C. Grievances were brought by the Union on behalf of two of its members who were absent from their employment with the City as a firefighter as a result of an injury suffered while working for a Secondary Employer.
- D. The City and the Union have reached a resolution with respect to the grievances referred to above and, as part of the resolution, have agreed to enter into this Letter of Understanding in order to provide a framework to deal with this issue in the event that it arises again in the future.

THE PARTIES AGREE AS FOLLOWS:

1. Employees who are in receipt of WorkSafeBC wage loss payments as a result of an injury or illness suffered while working for a Secondary Employer are not entitled to the WorkSafeBC Sick Leave Payments contained in Clause 12.3D of the Collective Agreement between the Parties.
2. An employee, who is absent from his/her employment as a firefighter with the City as a result of an injury or illness suffered while working for a Secondary Employer, shall be entitled to receive paid sick leave from his/her accumulated sick leave credits, if any, pursuant to Clause 12.3A of the Collective Agreement between the Parties, provided the employee complies with the following conditions:

SCHEDULE "B" (cont'd)

Page 2

- (a) The employee must, within forty-eight (48) hours of suffering any injury or illness while working for a Secondary Employer or as soon as practicable thereafter if the employee is unable to do so within forty-eight (48) hours, notify the City of any WorkSafeBC claim involving a Secondary Employer.
  - (b) The employee must otherwise qualify for Sick Leave from the City, and must comply with the Occupational Health Plan published by the City.
  - (c) The employee must apply to WorkSafeBC for compensation benefits as a result of the injury or illness suffered while working for the Secondary Employer, and must provide the City with proof of his/her application to WorkSafeBC.
  - (d) The employee must pay to the City all monies received by him/her, or which he/she is entitled to receive, from WorkSafeBC which are attributable to loss of wages for the period the employee is claiming Sick Leave from the City. These payments to the City must be made within ten (10) days of the employee having received, or being entitled to receive, monies from WorkSafeBC.
  - (e) The employee will facilitate the payments, referred to in sub-paragraph (d) above, being made to the City by either
    - (i) executing any necessary forms, which may be required by WorkSafeBC, authorizing WorkSafeBC to pay the full amount of the employee's wage loss benefits directly to the City, or
    - (ii) endorsing over to the City any cheques, representing the full amount of the employee's entitlement to wage loss benefits, which the employee received from WorkSafeBC.
3. In the event that the City is not paid the monies which the employee receives, or is entitled to receive, from WorkSafeBC within the time period set out in paragraph 2(d) above, then
- (a) the City will immediately cease to make any further sick leave payments to the employee from his/her accumulated sick leave credits, and
  - (b) the employee shall be considered to be on sick leave without pay from the City for the remainder of the period during which the employee is entitled to receive wage loss benefit payments from WorkSafeBC as a result of an injury or illness he/she suffered while working for a Secondary Employer.
4. Monies received by the City, pursuant to paragraph 2(d) above, will be allocated between the City and the Union as follows:
- (a) Where the monies received by the City are sufficient to cover the full amount of the sick leave credits paid to the employee during his/her period of absence resulting from an injury or illness suffered while working for a Secondary Employer, the City will not bill the Union for the first four (4) shifts of the

employee's paid sick leave as contemplated by Clauses 12.3B(1) and (3) of the Collective Agreement between the Parties.

- (b) Where the monies received by the City are insufficient to cover the full amount of the sick leave credits paid to the employee during his/her period of absence resulting from an injury or illness suffered while working for a Secondary Employer, the City and the Union will share the monies received by the City proportionately based upon the amount of sick leave that each of the City and the Union was required to pay to the employee pursuant to the applicable provisions of the Collective Agreement between the Parties.
- (c) Where an employee continues to be absent from his/her employment with the City after the expiration of the wage loss benefits received by the employee from WorkSafeBC as a result of the injury or illness the employee suffered while working for a Secondary Employer, the employee must initiate a new claim for sick leave with the City and the relevant provisions of Clauses 12.3A and B will apply.
5. This Letter of Understanding will form part of the Collective Agreement between the Parties.

Signed this 17 day of October, 2008.
