

Volunteers Needed!

Want to work 1-on-1 with local entrepreneurs?

Looking for a way to gain hands on business experience?

Need some practical work experience for that resume?

**JOIN THE EMBERS
SMALL BUSINESS SUPPORT TEAM!
HELP AN ENTREPRENEUR GROW THEIR BUSINESS**

Who is EMBERS?

EMBERS is a non-profit organization celebrating 10 years of providing business training and support services to Vancouver's inner city low income entrepreneurs.

What is the Small Business Support Team?

Entrepreneurs going through our Grow A Business Program have a list of tasks they must accomplish to help them grow. They are on their own, running businesses on a shoestring and need voluntary help with getting the small things done.

Our Small Business Support Team (that's you) is a voluntary resource they can use to help them get specific business tasks completed.

Volunteer Business Skills Needed:

- website design and development
- marketing (online and offline) and marketing communications materials/design
- market research and customer database development
- sales and promotions assistance
- finance and bookkeeping
