

Homeowners can receive up to **\$4,515** in provincial rebates for home energy improvements

the steps

- 1** **Call an energy advisor** certified by Natural Resources Canada to assess your home. They will conduct an onsite inspection and prepare a customized report.
- 2** **Make home energy improvements.** Choose which energy upgrades are right for you.
- 3** **Arrange a follow up energy assessment.** Make sure you get a second assessment before Mar 31, 2011 to qualify for rebates.
- \$** **Receive your rebate.** The advisor will fill out the paperwork on your behalf. You'll receive a check within 90 days from the province.
- 😊** **Reap the other benefits.** You can expect lower energy bills and a more comfortable home.

the opportunity

Energy retrofit your semi-detached or detached home and you could qualify for up to \$4,515 through the provincial **LiveSmart BC** program.
