

Healthy Food and Beverage Choices Program Survey

The BC Recreation and Parks Association in partnership with the BC Union of Municipalities have introduced a program to help Municipal Recreation Departments provide leadership and support to establish healthy food and beverage choices in community centres. This survey will identify the current service levels in Vancouver Community Centres.

Health Food and Beverage Choices

| STRATEGIC PLANNING | | | | | |
|--|----------------|--------------------|-------------------|--------------|-----------|
| | Fully in Place | Partially in Place | Under Development | Not in Place | |
