PRESCHOOLERS

SOCIAL RECREATION

KidsPace Classes

Qualified instructors maintain a fun and safe environment for practicing life skills and values such as social grace, self-calming and control, project planning, confident curiosity, kindness and compassion. Adults are always welcome to join in the class with their child, so long as they are participating in classroom activities. All children must have an adult stay with them for at least the 1st week, after which the caregiver may request that their child be assessed for 'on my own' readiness. Please bring the following labelled items to class every week: a change of clothes, diapering needs, a healthy snack (no nuts, please) and a beverage. Program Director: Jennifer Upsdell

KidsPace I 18-24mths

In this class, young children are kindly introduced to the environment and expectations of a typical classroom setting. Expect artistic, literary and scientific activities; however the main focus is on successful socialization within a group setting.
