Our 5 Day Junior Golf Camps are designed for the beginner and intermediate golfer interested in learning the basics of how to play golf in a small group atmosphere. We'll explore the motion of the swing starting from the green and working our way back to the tee. We'll also introduce your child to golf etiquette, basic rules of golf, and most importantly an opportunity to develop key life values such as honesty, perseverance, confidence and sportsmanship. The learning process will give the student the opportunity to discover and explore ways of playing this great game.

All our camps will adhere to the CN Future Links Learn to Play program. Completion of these camps will result in participants being registered in this fantastic program, and awarded one "level" to mark their progress.
