

Vancouver Parks Golf – Winter Golf Card & Contest

Beginning November 1st, 2011 Vancouver Parks Golf - Fraserview, McCleery and Langara golf courses - will be offering a winter golf savings program to our loyal customers. The VPG Winter Golf Card will be available for purchase in all three of our golf shops and clubhouses, and provides the opportunity for loyal golfers to save on winter golf.

“Vancouver Parks Golf has not run a winter golf savings program for many years but we felt that it was time to encourage our loyal golfers to visit us in the cooler months while at the same time offering them some great discounts” said Howard Normann, Supervisor of Golf Operations. “The rates at all three golf courses have already been reduced for the season and twilight times have been extended.”

To launch the VPG Winter Golf Card one will be given away each month (November, December and January) to a lucky winner who signs up for the Vancouver Parks Golf eNewsletter on vancouverparksgolf.com.

The cost of the card is \$34.95 and all cards and redemptions are valid until April 30th, 2012. One stamp per player per round will be available at Fraserview, McCleery and Langara golf courses. The card is simple to use. Play four regularly priced games of golf then receive a free warm-up bucket at Fraserview or McCleery driving ranges at the time of your fifth game. Golf games five, six, seven, and eight are played at 50% off the applicable rate and game number nine is FREE. It's that simple.

The savings card can be used at all three golf courses and the final free round of golf can be redeemed at any of the courses regardless of where the stamps were collected. Cards will be available for sale until April 1st.

The card is not valid during early bird, twilight, sunset or Club times or with any other promotions. The card is valid for adult, senior and junior play and each player must have his or her own VPG Winter Golf Card.

For more information contact the golf shops at Fraserview (604-257-6923), McCleery (604-257-8191) or Langara (604-713-1816).
