

Locations A, B & E
Advantages & Disadvantages
John Hendry Park
Community Centre & Ice Rink Analysis
March 4, 2006

Locations:	Advantages:	Disadvantages:
A	<ul style="list-style-type: none"> • probably less expensive to build • retains parking lot during construction • could reduce view blockage for nearby residents 	<ul style="list-style-type: none"> • ice rink may be closed during construction • building entrance below street level • loss of courts during construction
B	<ul style="list-style-type: none"> • building entrance at street level • park users walk into building on main level • ice rink kept open during construction 	<ul style="list-style-type: none"> • probably more expensive to build • loss of parking during construction • loss of gravel field during construction
E	<ul style="list-style-type: none"> • park users walk into building on main level • ice rink kept open during construction • retains parking lot during construction 	<ul style="list-style-type: none"> • probably more expensive to build • Grandview Highway not a welcoming street • loss of rugby field during construction
