

HSBC VanDusen Family Program

Fall / Winter 2009

Explore the amazing world of nature in our beautiful 55-acre garden and come face to face with a huge variety of plants and animals

Plant Detectives: Seeds and Leaves Sunday, September 27

How and why do seeds travel? Investigate 'helicopters', 'passengers', 'floaters' and more. Discover why leaves change colour and fall and investigate the magic of autumn.

World of Trees Saturday, Oct. 10

Use your senses to investigate the wonderful world of trees as you explore the Garden in search of 10 terrific trees. Solve clues, play games and make a tree craft as you learn all about trees.

Winter Wonderland Saturday, November 14

Wrap up warm and join us in the Garden as we investigate the changes that plants and animals go through as they prepare for the winter months ahead.

A Midwinter's Light Saturday, December 12

To welcome VanDusen's annual Festival of Lights come and make a dazzling lantern in this craft-based program. Cost of materials included in fee.

Programs are designed for children ages 4-11yrs. Infants and toddlers under 4 years are welcome, but programs are not as suitable for them.

Our family programs are for children and their parents or adult chaperones to enjoy together. (max. 2 adults & 3 children)

PROGRAM TIMES VARY! Please check them carefully before you send your application.
