5. In the last eight months steps have been taken to ensure that vehicles are cleaned out when required, using an off site contractor. This service is done whenever the cleanliness of a vehicle is reported as sub standard. Have you noted an improvement in the overall cleanliness of the cars since July 2007? 1 = No change 5 = Great Improvement*

 7. Equipment installed in the vehicles forms an important part of comfort and operational effectiveness. As well, emergency lighting placement determines safe code 3 operation of police vehicles. Please rate the following according to their ease of use, comfort and operational effectiveness with 1 = poor 5 = excellent*

	1	2	3	4	5
Siren Controller Position	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Siren Controller Style	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Console and Arm Rests	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Laptop Docking Station	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Front Windshield Emergency Lights (unmarked vehicles)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

 8. Please provide any questions or suggestions with regards to the equipment on or in police vehicles. If you have any concerns, please be specific as to what they are.

 9. The decaling package on the marked police vehicles is a major part of the image that is portrayed to the public. Please provide a rating as to your satisfaction with the current decal package. 1 = Extremely dissatisfied 5 = Extremely Satisfied

	1	2	3	4	5
1-5	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

 10. Please provide any comments or remarks on the decal package on our marked police vehicles. Please be specific.

 11. Many police agencies use prisoner transport cages in their patrol fleet. Do you feel that the VPD should equip a limited number of vehicles with this transport cage?*

Yes No

 12. If yes, what do you think the benefits of having some vehicles with transport cages would be?
