Dear [REDACTED]

Re: *Records Access Request*

We acknowledge your requests for statistics that were received in our office on January 8, 2016. In those requests, you sought access to the following:

1. Overdose Deaths, Theft Under, Sex Assaults
 - Hastings St – 100 Block W, 00 Block W, 00 Block E, 100 Block E, 200 Block E, 300 Block E
 - Cordova St - 100 Block W, 00 Block W, 00 Block E, 100 Block E, 200 Block E, 300 Block E
 - D2
 - 2010 – 2015
 - Totals by Month

2. Assault, Sex Assault, Theft Under, Robberies, Section 28 Apprehensions, Calls for Service, Overdose
 - Hastings St - 100 Block W, 00 Block W, 00 Block E, 100 Block E, 200 Block E, 300 Block E
 - Cordova St - 100 Block W, 00 Block W, 00 Block E, 100 Block E, 200 Block E, 300 Block E
 - D2
 - 2005 – 2009
 - Totals by Year

Attached please find the requested data.

As cause of death is determined by the Office of the Chief Coroner, the Vancouver Police Department does not collect statistics regarding overdose deaths. We respectfully suggest you direct your query to the Chief Coroner's office for access to this information.

In addition, we are unable to provide the number of calls for service in 2005. This category of information is archived only from mid-2005 and our data is therefore incomplete. Please be advised that not all calls for service to police result in the creation of a police report.

.../2

If you have any questions about the attached, please contact the Information and Privacy Unit at (604) 717-3071 or by fax at (604) 606-2622.

Yours truly,

A handwritten signature in blue ink, appearing to read 'swanson', is written over the typed name.
