

Civic Asset Naming Committee

2017-18 Objectives

Respond to requests referred to the Committee from City Council and staff.

Work on developing a resource of un-named assets that would be suitable for naming to broaden the diversity of names.

Contribute knowledge and expertise to various aspects of the 150+ Naming Project.

Research policies from other jurisdictions concerning the renaming of assets to formulate guidelines on renaming.

Investigate various means and costs of interpreting names in the City landscape.

Accomplishments

Named Maxine Lane, Lahb Avenue and White Pine Mill Pump Station.

Shared expertise and conducted extensive research on renaming issues and policy.

Started framework for developing a resource of unnamed civic assets.

Future Goals

Finalize renaming policy for approval by Council.

Name a number of assets after women and persons from other underrepresented groups.

Recommend names for non-street assets on unnamed assets list.
