2.  Civic Artist Registry

WHEREAS

1.  The City of Vancouver respects and values the professional artists living and working in our communities;

2.  The City of Vancouver aims to assist professional artists in their ability to work and earn a living from their professional endeavours;

3.  The City of Vancouver has established strategies in support of the arts including fostering innovation in our cultural policies, programs and services, embedding cultural awareness, instruction and programming within all our institutions and systems to engage citizen participation in cultural activities, and working with the non-profit arts and cultural sector, cultural industries, business and public sectors to develop new and innovative ways to highlight and profile the creative sector to the citizens of Vancouver and promote Vancouver’s reputation as a creative city;

4.  The City of Vancouver website supports an existing Public Art Registry of public artworks located throughout Vancouver with photos and biographies of the artists;

5.  Cities such as Ottawa, Brooklyn, Whistler, Provincetown, Atlanta, Detroit and other municipalities have created successful Artist Registries that have proven to benefit artists and encourage the awareness of arts and culture in those communities;

6.  Working artists need as much public exposure as possible to benefit and thrive from their professional work.

THEREFORE BE IT RESOLVED

A.  THAT Council request the Arts and Culture Policy Council to strike a working group to consider the benefits and costs of creating a Vancouver Artists’ Registry, including surveying literature and best practices.

B.  THAT Councillors Elizabeth Ball and Heather Deal be named liaisons to that working group.

C.  THAT the working group consult with City staff including cultural services, communications, and website management, as well as with the wider cultural community, and report back on their findings to Council within six months.

D.  THAT staff investigate any non-profit partners that could assist/host/or manage the Registry.
