---

Council,

As discussed, here are links to our 2019 and 2020 Corporate Plan.

<http://citywire.city.vancouver.bc.ca/bpps/documents/corporate-plan-2020.pdf>

<http://citywire.city.vancouver.bc.ca/bpps/documents/corporate-plan-2019.pdf>

This document is developed a management tool to help focus priorities in a given year. It is not intended to be a fulsome business plan, but rather an articulation of the organisation's long term strategic goals (including the current-day Council priorities) and the top 50-60 initiatives for the organisation in any given year that advance these longer-term goals. Our City Leadership Team tracks progress on the Plan's short-term priorities over the course of the year.

For 2021, we will still be publishing a Corporate Plan, with this document recast to purely reflect Council direction via resolutions that have been passed, with an accompanying dashboard that Council and staff will have access, showing for each initiative progress and anticipated timelines.

We are aiming to have this up and running by end-Q1 2021.

Please reach out to me if you have any questions or comments.

All the best,

Karen
